

Brateck

Tilt for Comfort. Designed for Better Viewing.

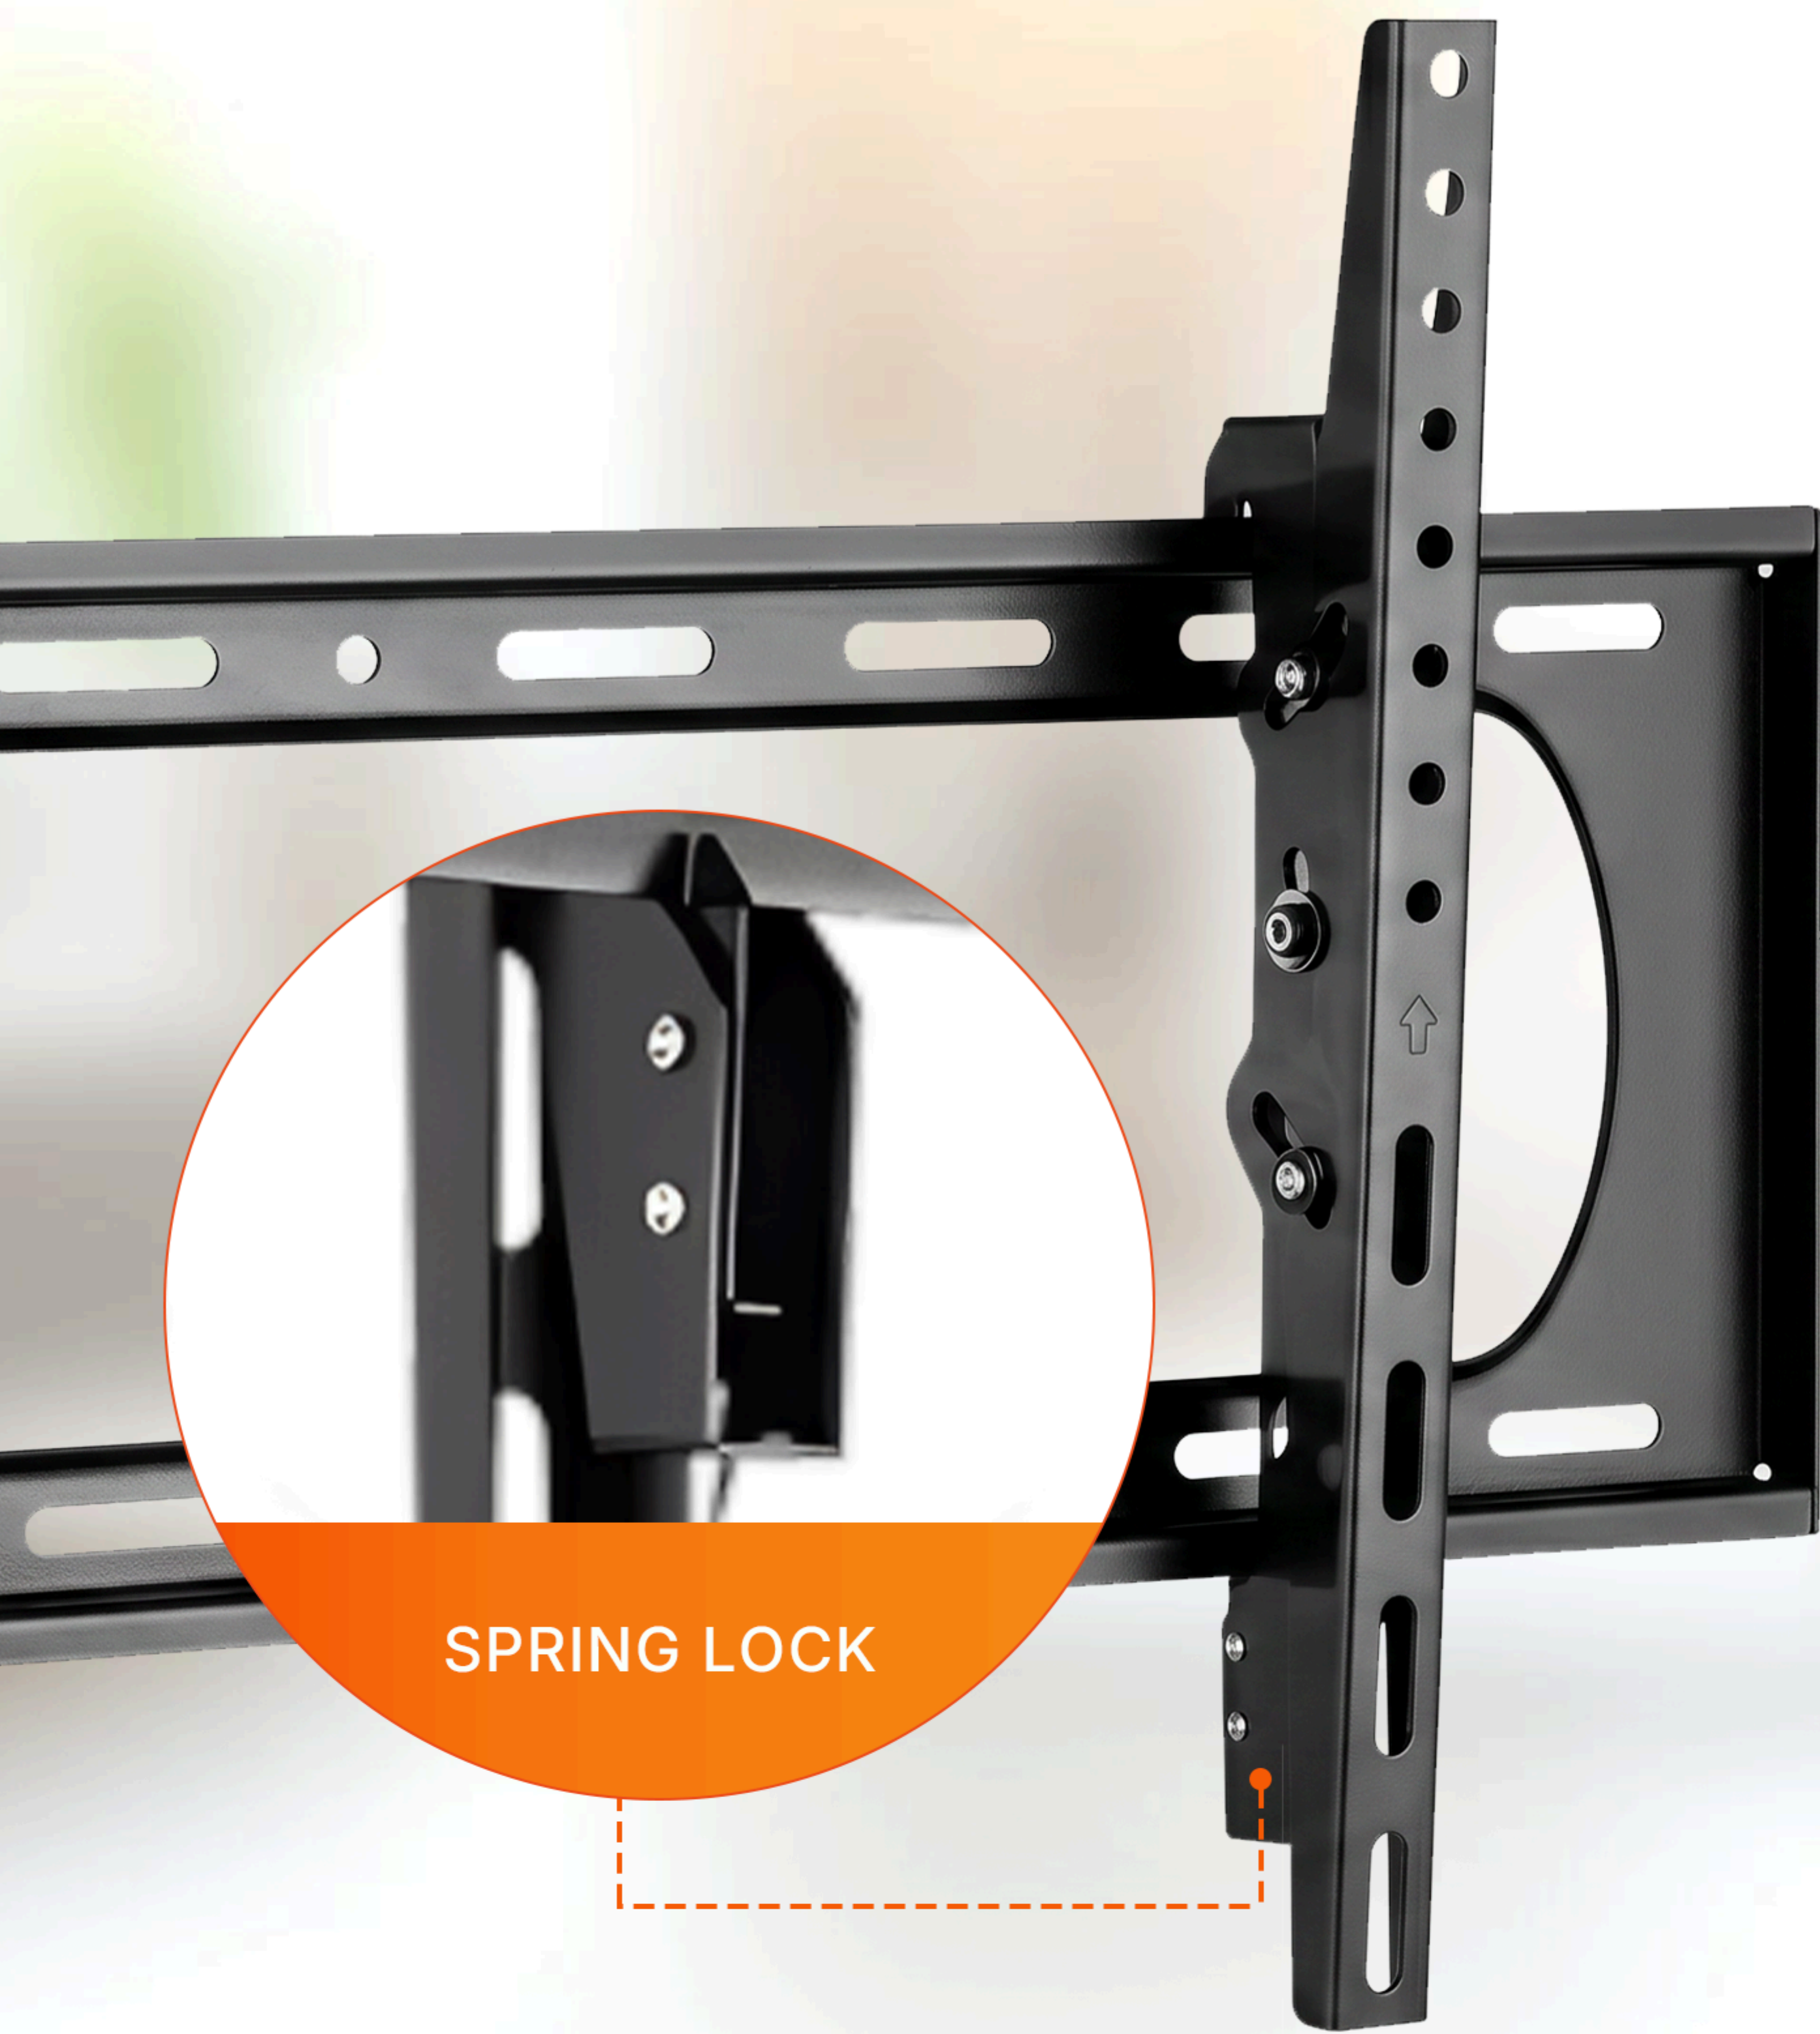

TILT TV WALL MOUNT

Built for reliability and ease of use, it delivers a sleek and professional look that complements any environment. **Brateck Tilt TV Wall Mount** keeps your display securely mounted while reducing glare and improving viewing comfort, making it perfect for living rooms, bedrooms, offices, classrooms, and commercial spaces.

Optimizes Viewing Comfort

Allows users to easily adjust the screen angle to reduce glare and achieve a more comfortable viewing experience.

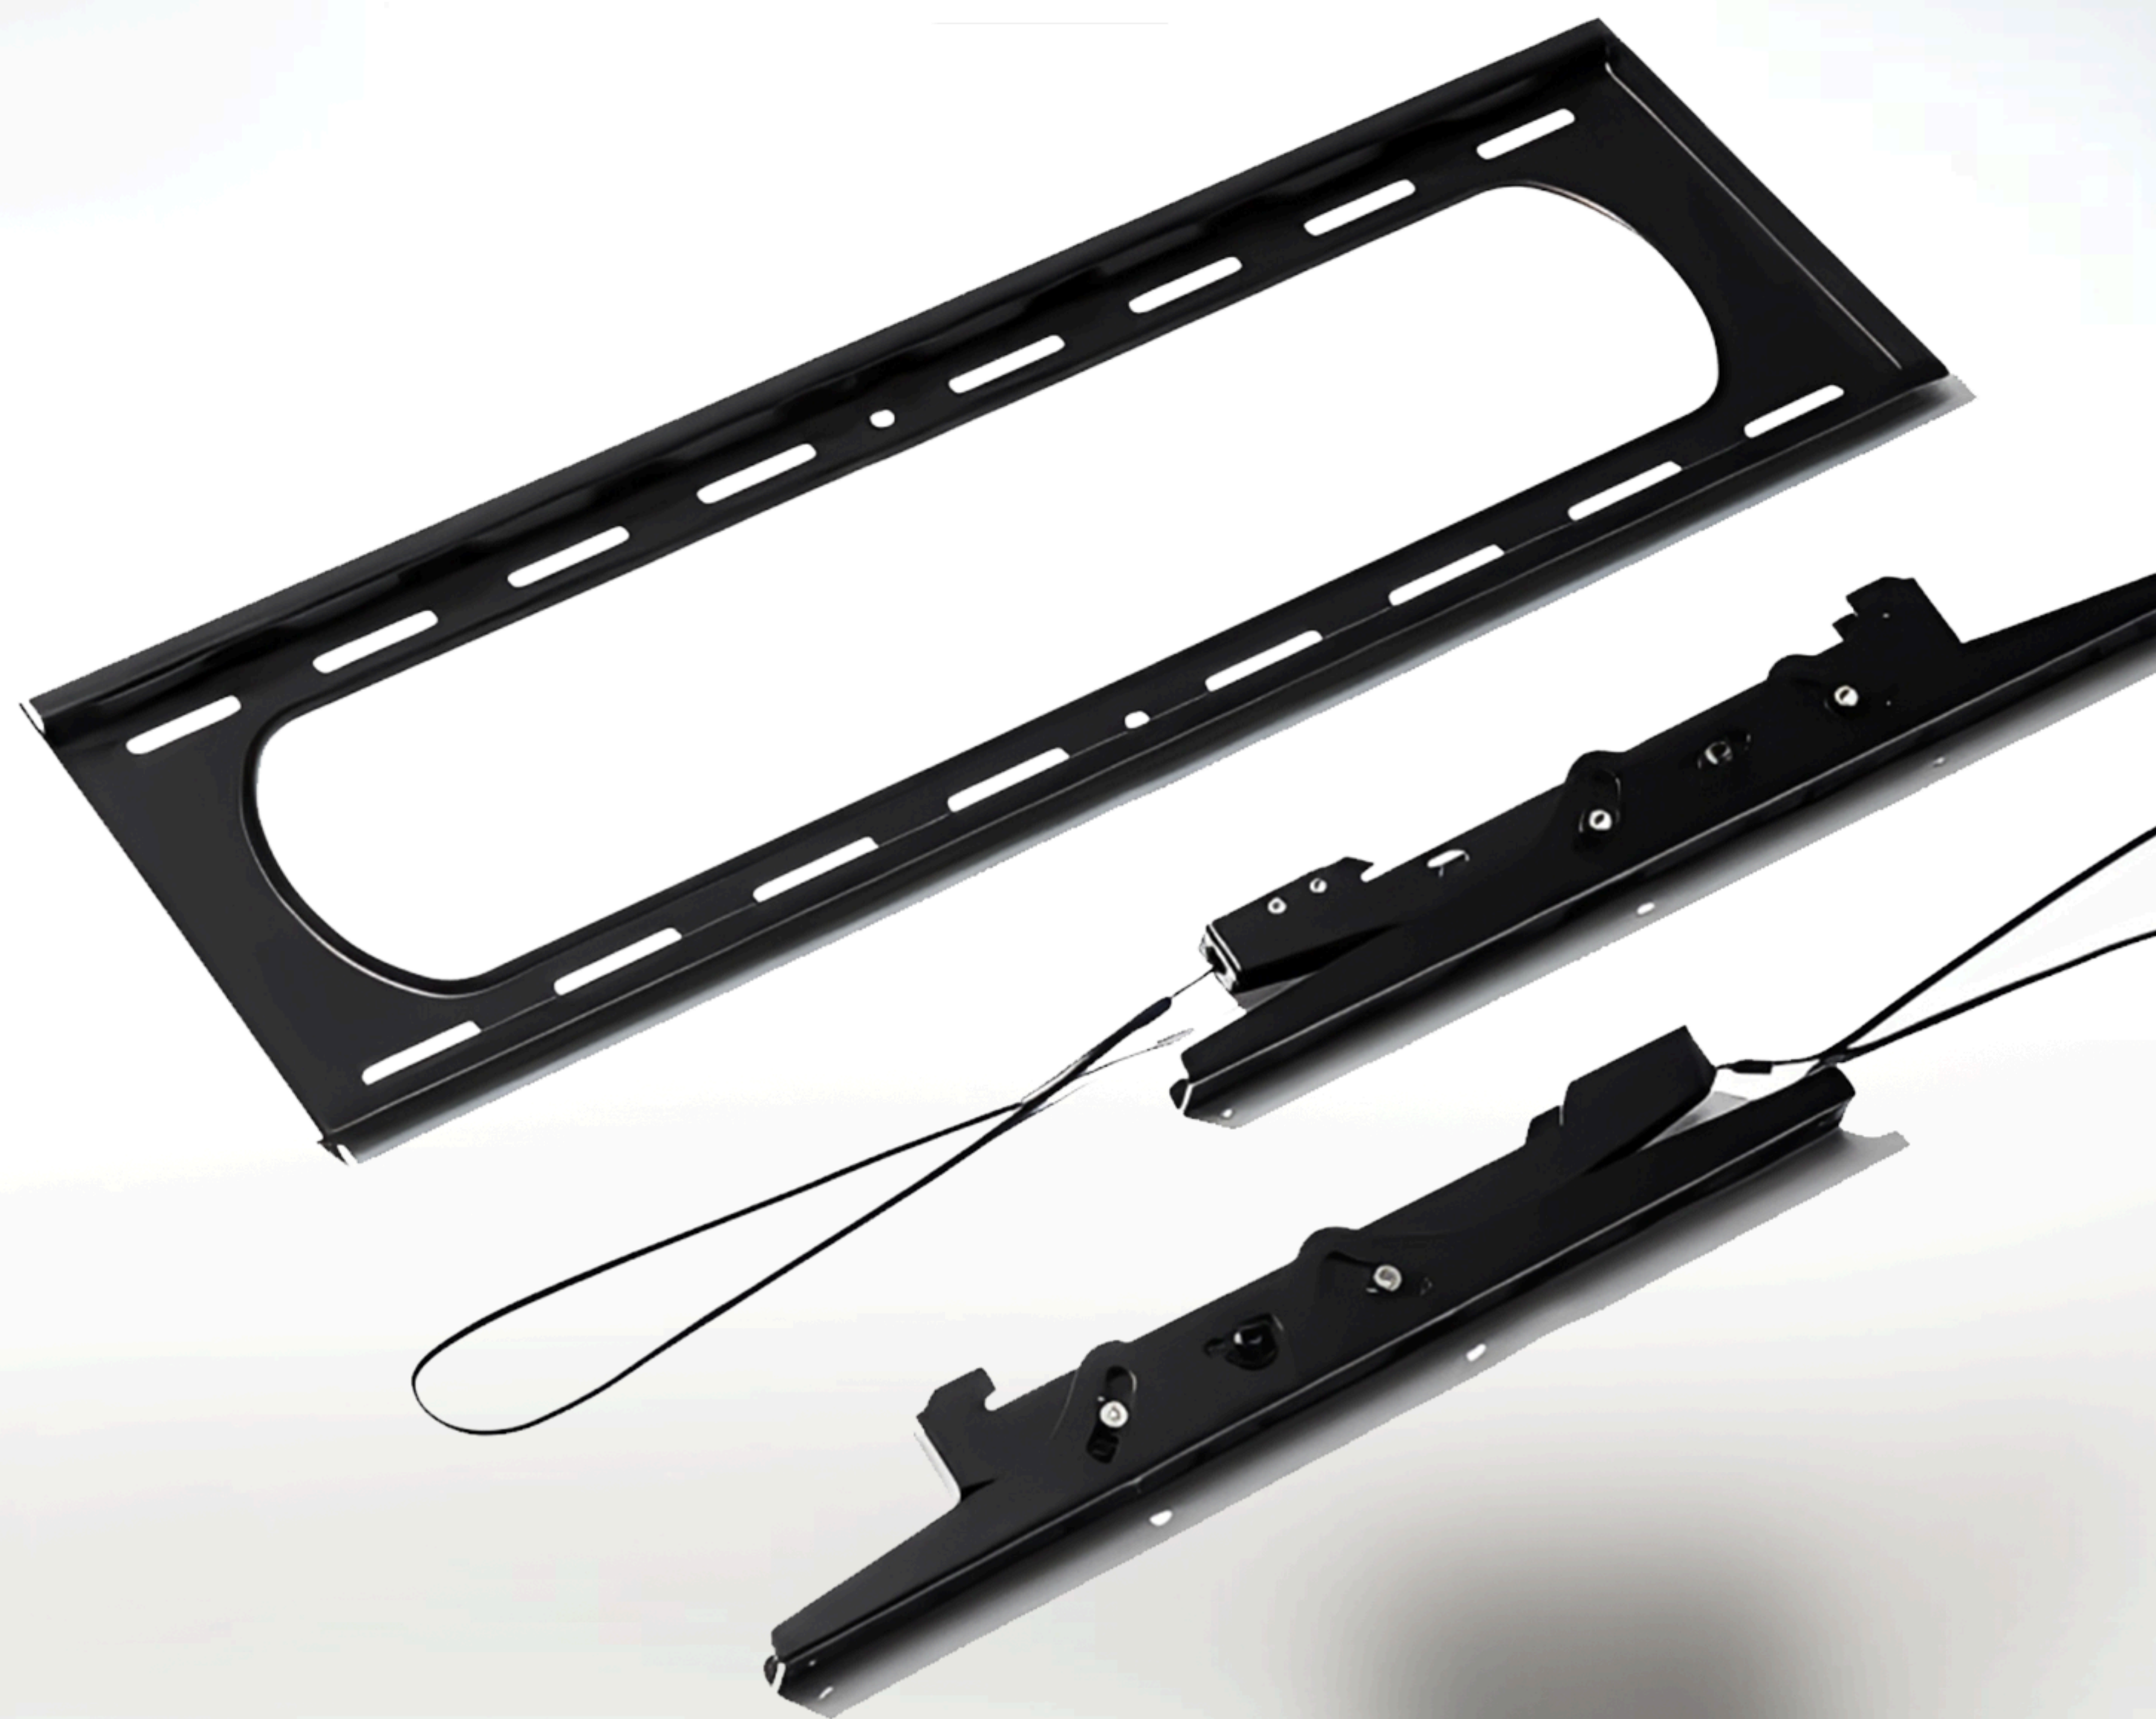

Quick-Release Spring Lock

Features a spring-lock mechanism that makes mounting and removing the TV quick, convenient, and secure.

Hassle-Free Alignment

Helps ensure precise and level installation for a professional-looking setup every time.

Open Architecture Design

Enhances airflow around the display to help reduce heat buildup while providing easier access to cables for a cleaner, more convenient installation and maintenance experience.
