

Brateck

Find the Perfect Viewing Angle

HEAVY-DUTY TILT TV WALL MOUNT

Combining heavy-duty performance with outstanding value, the **Brateck LP73-69T** is designed for displays from 60" to 120" and supports up to 120kg. Its durable steel construction and smooth tilt adjustment make it ideal for commercial, education, and digital signage environments.

Tool-Free Tilt Adjustment

Easily adjust viewing angles with a convenient $+10^{\circ}\sim-10^{\circ}$ tilt mechanism, helping reduce glare and optimise screen visibility.

$+10^{\circ}\sim-10^{\circ}$

Toolless Tilting

Heavy-Duty Support & Quick Release

Reinforced steel construction supports displays up to 120kg (264lbs), while automatic spring locks with quick-release cords provide secure installation and convenient display removal.

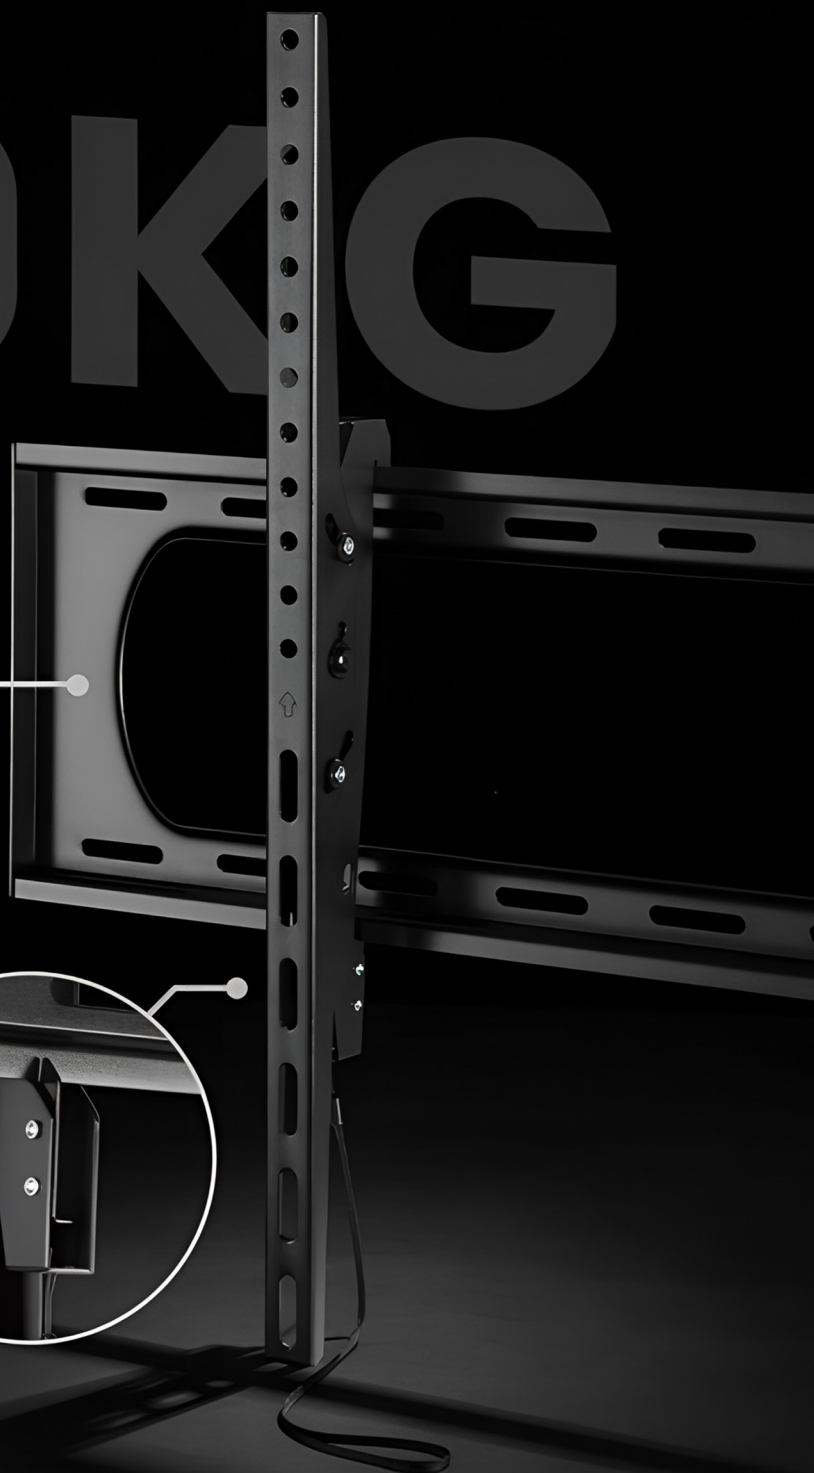

120KG

Stiffener Design

resists lateral loading

Quick-Release Spring Lock
easy installation
only takes seconds

Open Architecture Design

The open wall plate design improves ventilation while providing convenient access to power outlets and cable routing behind the display.

Space-Saving Packaging

Reduced package dimensions help lower transport and storage costs, making the LP73-69T an efficient choice for distribution, warehousing, and large-scale deployments.

Specifications

60"-120"
