

Affordable Heavy-Duty Tilt TV Wall Mount

Find the Perfect Viewing Angle

The **Brateck LP73-69T** provides a reliable mounting solution for large-format displays from 60" to 120". Designed with heavy-duty steel construction, tool-free tilt adjustment, and a quick-release locking system, it delivers secure installation and flexible viewing for commercial, education, and digital signage environments.

Toolless Tilt

Effortlessly adjust viewing angles with a $+10^{\circ}$ ~ -10° tilt mechanism for optimal screen visibility.

Heavy-Duty Construction

Reinforced steel construction delivers reliable support for displays up to 120kg.

Automatic Spring Locks

Quick-release cords and spring locks make display installation and removal simple and secure.

Affordable Heavy-Duty Tilt TV Wall Mount

Secure Support. Better Viewing.

Designed for commercial display installations, the **LP73-69T** combines heavy-duty steel construction, tool-free tilt adjustment and automatic spring locks to provide secure mounting and flexible viewing for large-format displays.
