

# Brateck

## Slim on the Wall. Strong at the Core.

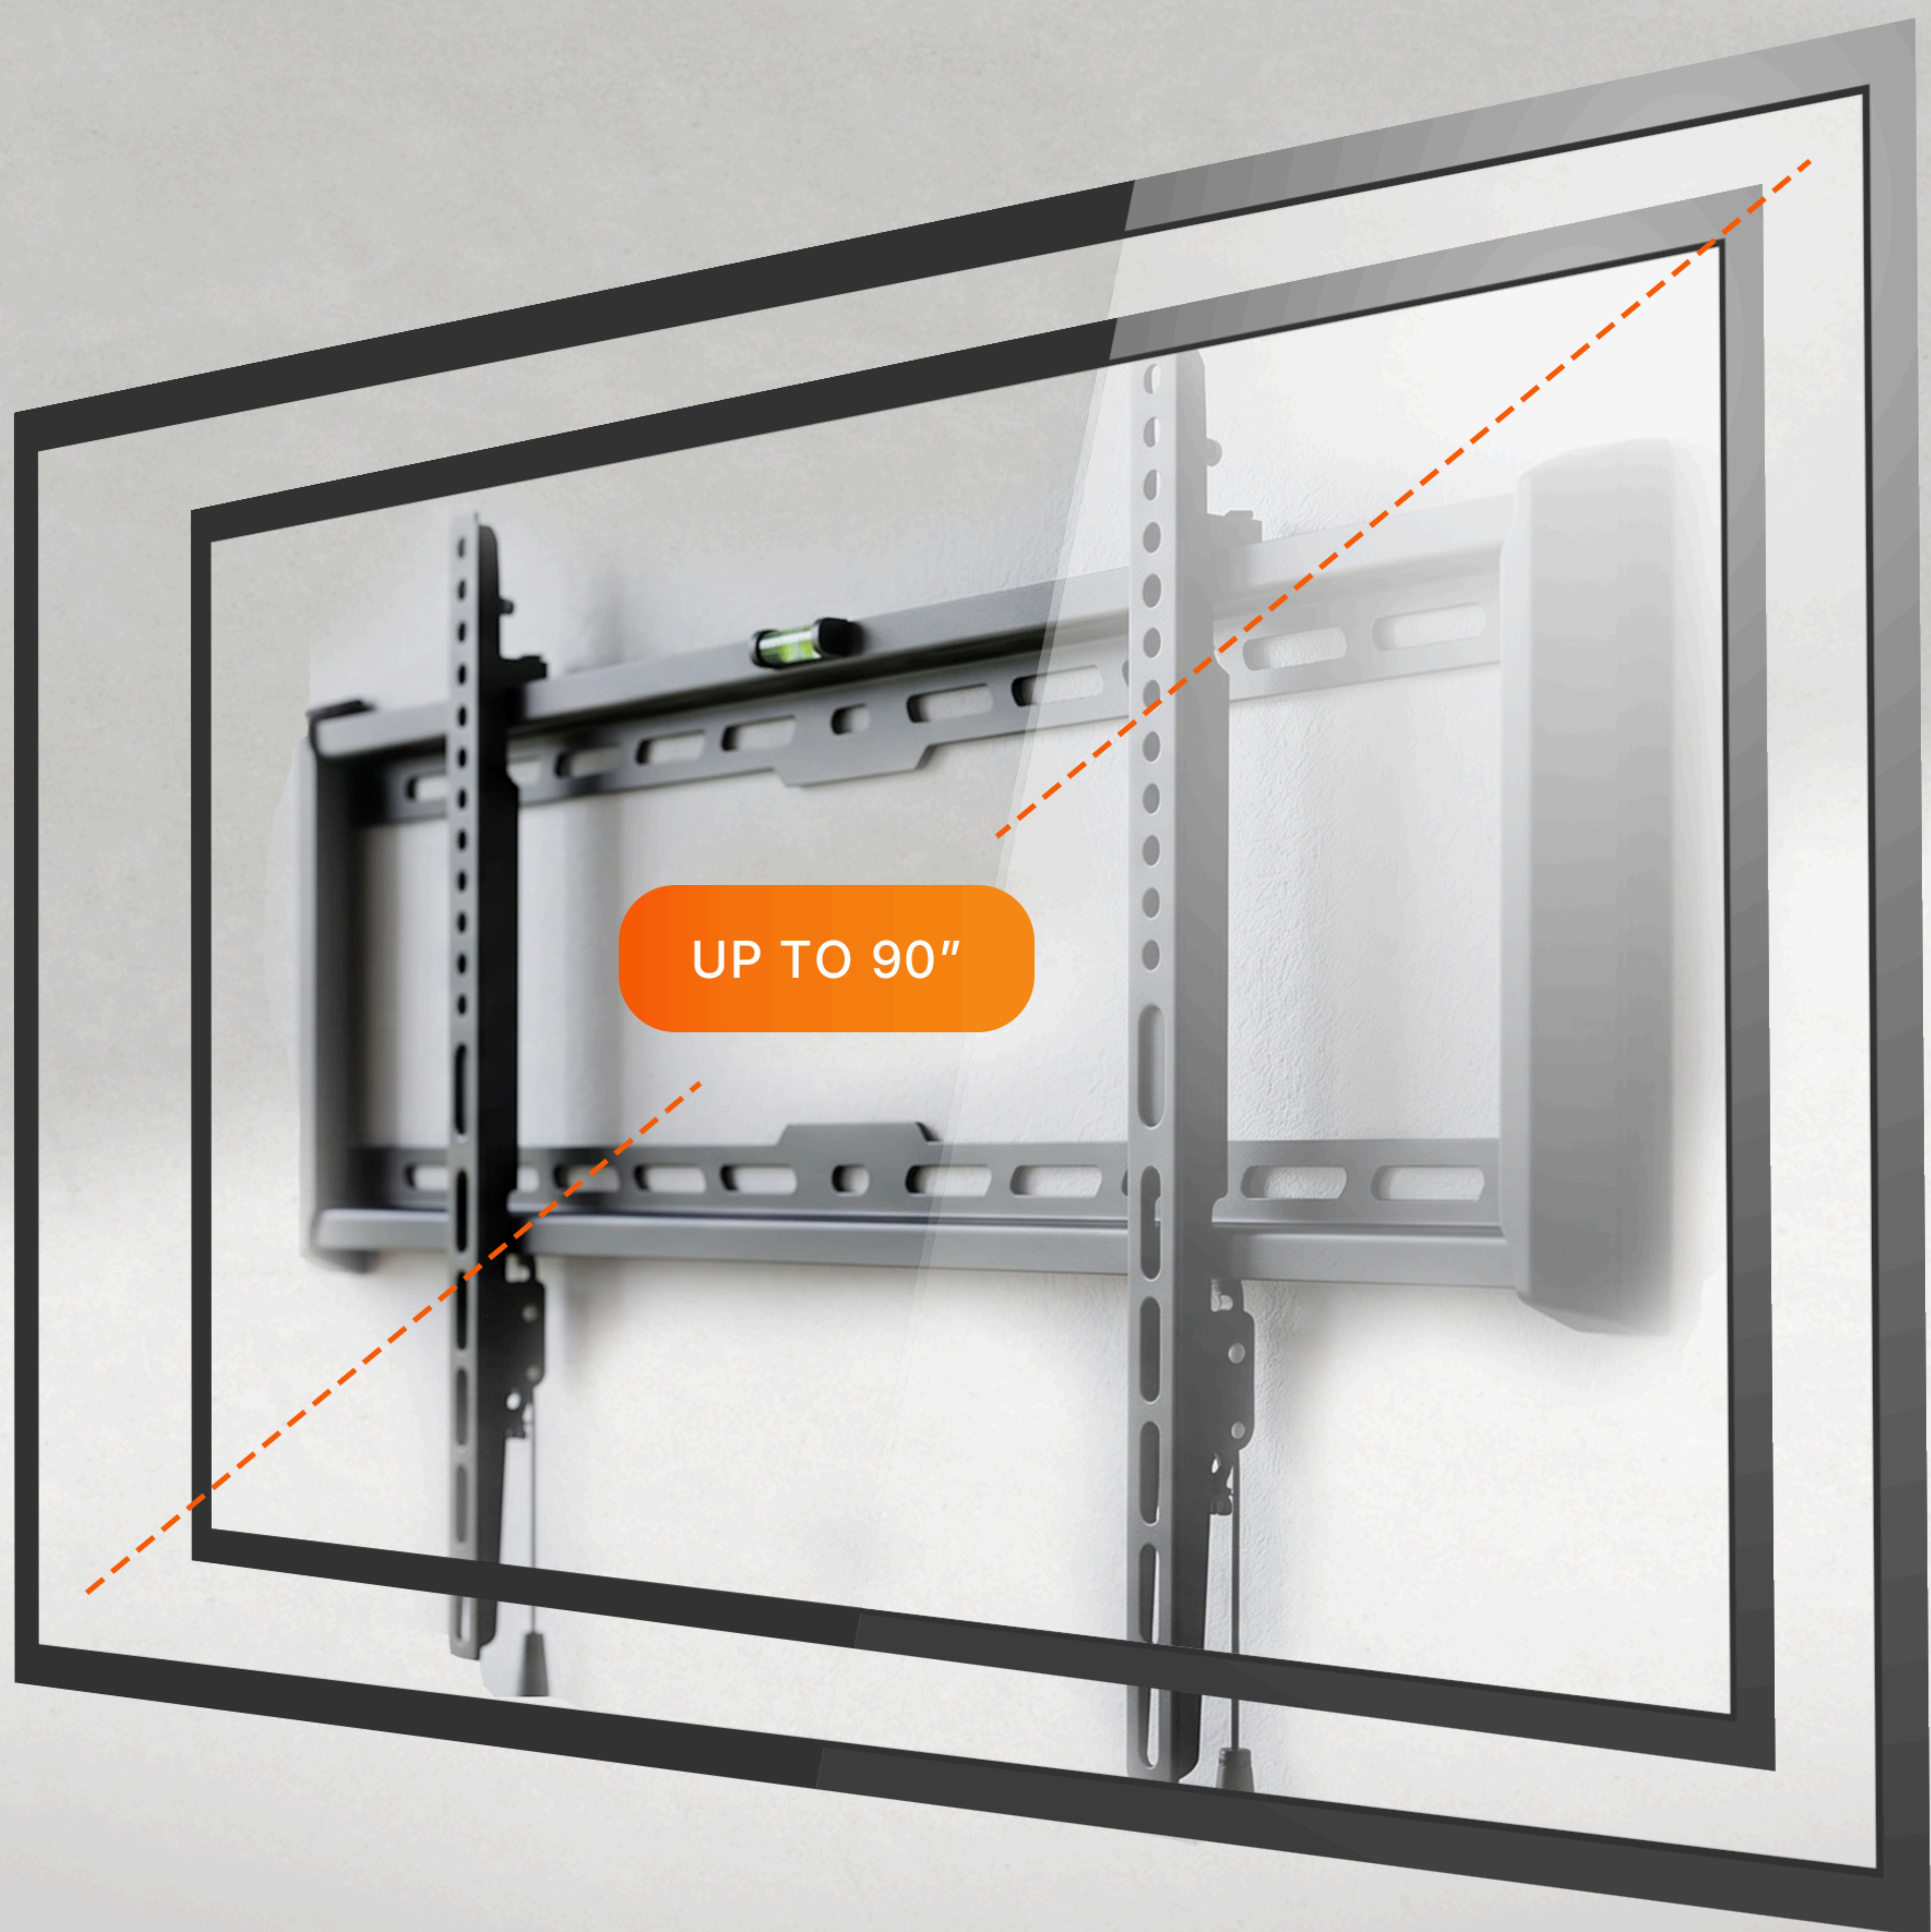

ULTRA-SLIM TV WALL MOUNT

The **Brateck Ultra-Slim Heavy-Duty TV Wall Mount** helps create a sleek, modern entertainment space by positioning your TV close to the wall for a clean and streamlined appearance. Ideal for living rooms, offices, meeting rooms, and commercial displays, it frees up floor space, enhances room aesthetics, and delivers a more immersive viewing experience for everyday entertainment and presentations.

# Heavy-Duty Steel Construction

Built with durable steel materials to provide exceptional strength and reliable support for large-screen TVs.

# Automatic Spring Lock System

Engineered with a dependable locking mechanism to help keep mounted TVs firmly secured for enhanced safety and stability.

## Quick-Release Pull Cords

Allows fast and convenient TV removal for maintenance, cable access, or installation adjustments without hassle.

## Ultra-Slim Low-Profile Design

Keeps TVs positioned close to the wall for a sleek, modern appearance that enhances any entertainment or professional space.
