Brateck

Full Motion Made Simple.

TV WALL MOUNT

The **Brateck LPA68-443 Economical Full-Motion TV Wall Mount** delivers practical tilt, swivel and extension in a compact, value-focused design. Its fine-texture black finish keeps the installation clean and understated, making it a smart fit for bedrooms, living rooms, offices and other spaces where flexible screen positioning matters.

Compact Full-Motion Design

Combines tilt, swivel and extension for
greater flexibility in positioning the screen.

Strong Everyday Support

Designed for 23"–55" TVs and supports up to 30kg, providing dependable mounting for a wide range of compatible displays.

Integrated Cable Management

Keeps power and AV cables neatly routed
for a cleaner, more organised setup.
