TV Wall Mount with Lateral Shift

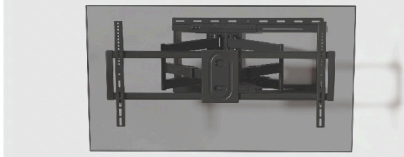

Made For Big TVs and Modern Spaces.

Built for demanding large-screen installations, the Brateck LPA80-486A Heavy-Duty Full-Motion TV Wall livers strong, flexible support with a lateral-shift wall plate for easier screen positioning after installation.

Lateral Shift Wall Plate
Lets the TV move left or right after mounting, helping achieve better screen placement even with off-centre studs.

Free-Tilting & Swiveling Design
Adjust the TV forward, backward or side to side for more flexible viewing from different positions in the room.

Detachable Wall Plate
Simplifies mounting and helps make assembly quicker and more convenient.

TV Wall Mount with Lateral Shift

Made For Big TVs and Modern Spaces.

It provides a secure, professional solution for home entertainment, meeting rooms, hospitality spaces and commercial display environments where strength, adjustability and precise placement matter.

Features

Built-In Cable Management
Keeps power and AV cables neatly routed for a cleaner, more organised setup.

Large TV Compatibility
Supports a wide range of large-screen televisions for home and commercial environments.

Easy 1-2-3 Assembly
Designed for a straightforward installation process to make setup quicker and simpler.

Modern Full-Motion Design
Combines flexible viewing with a low-profile appearance suited to contemporary interiors.
