

Brateck

One Clean Setup. Everything You Need.

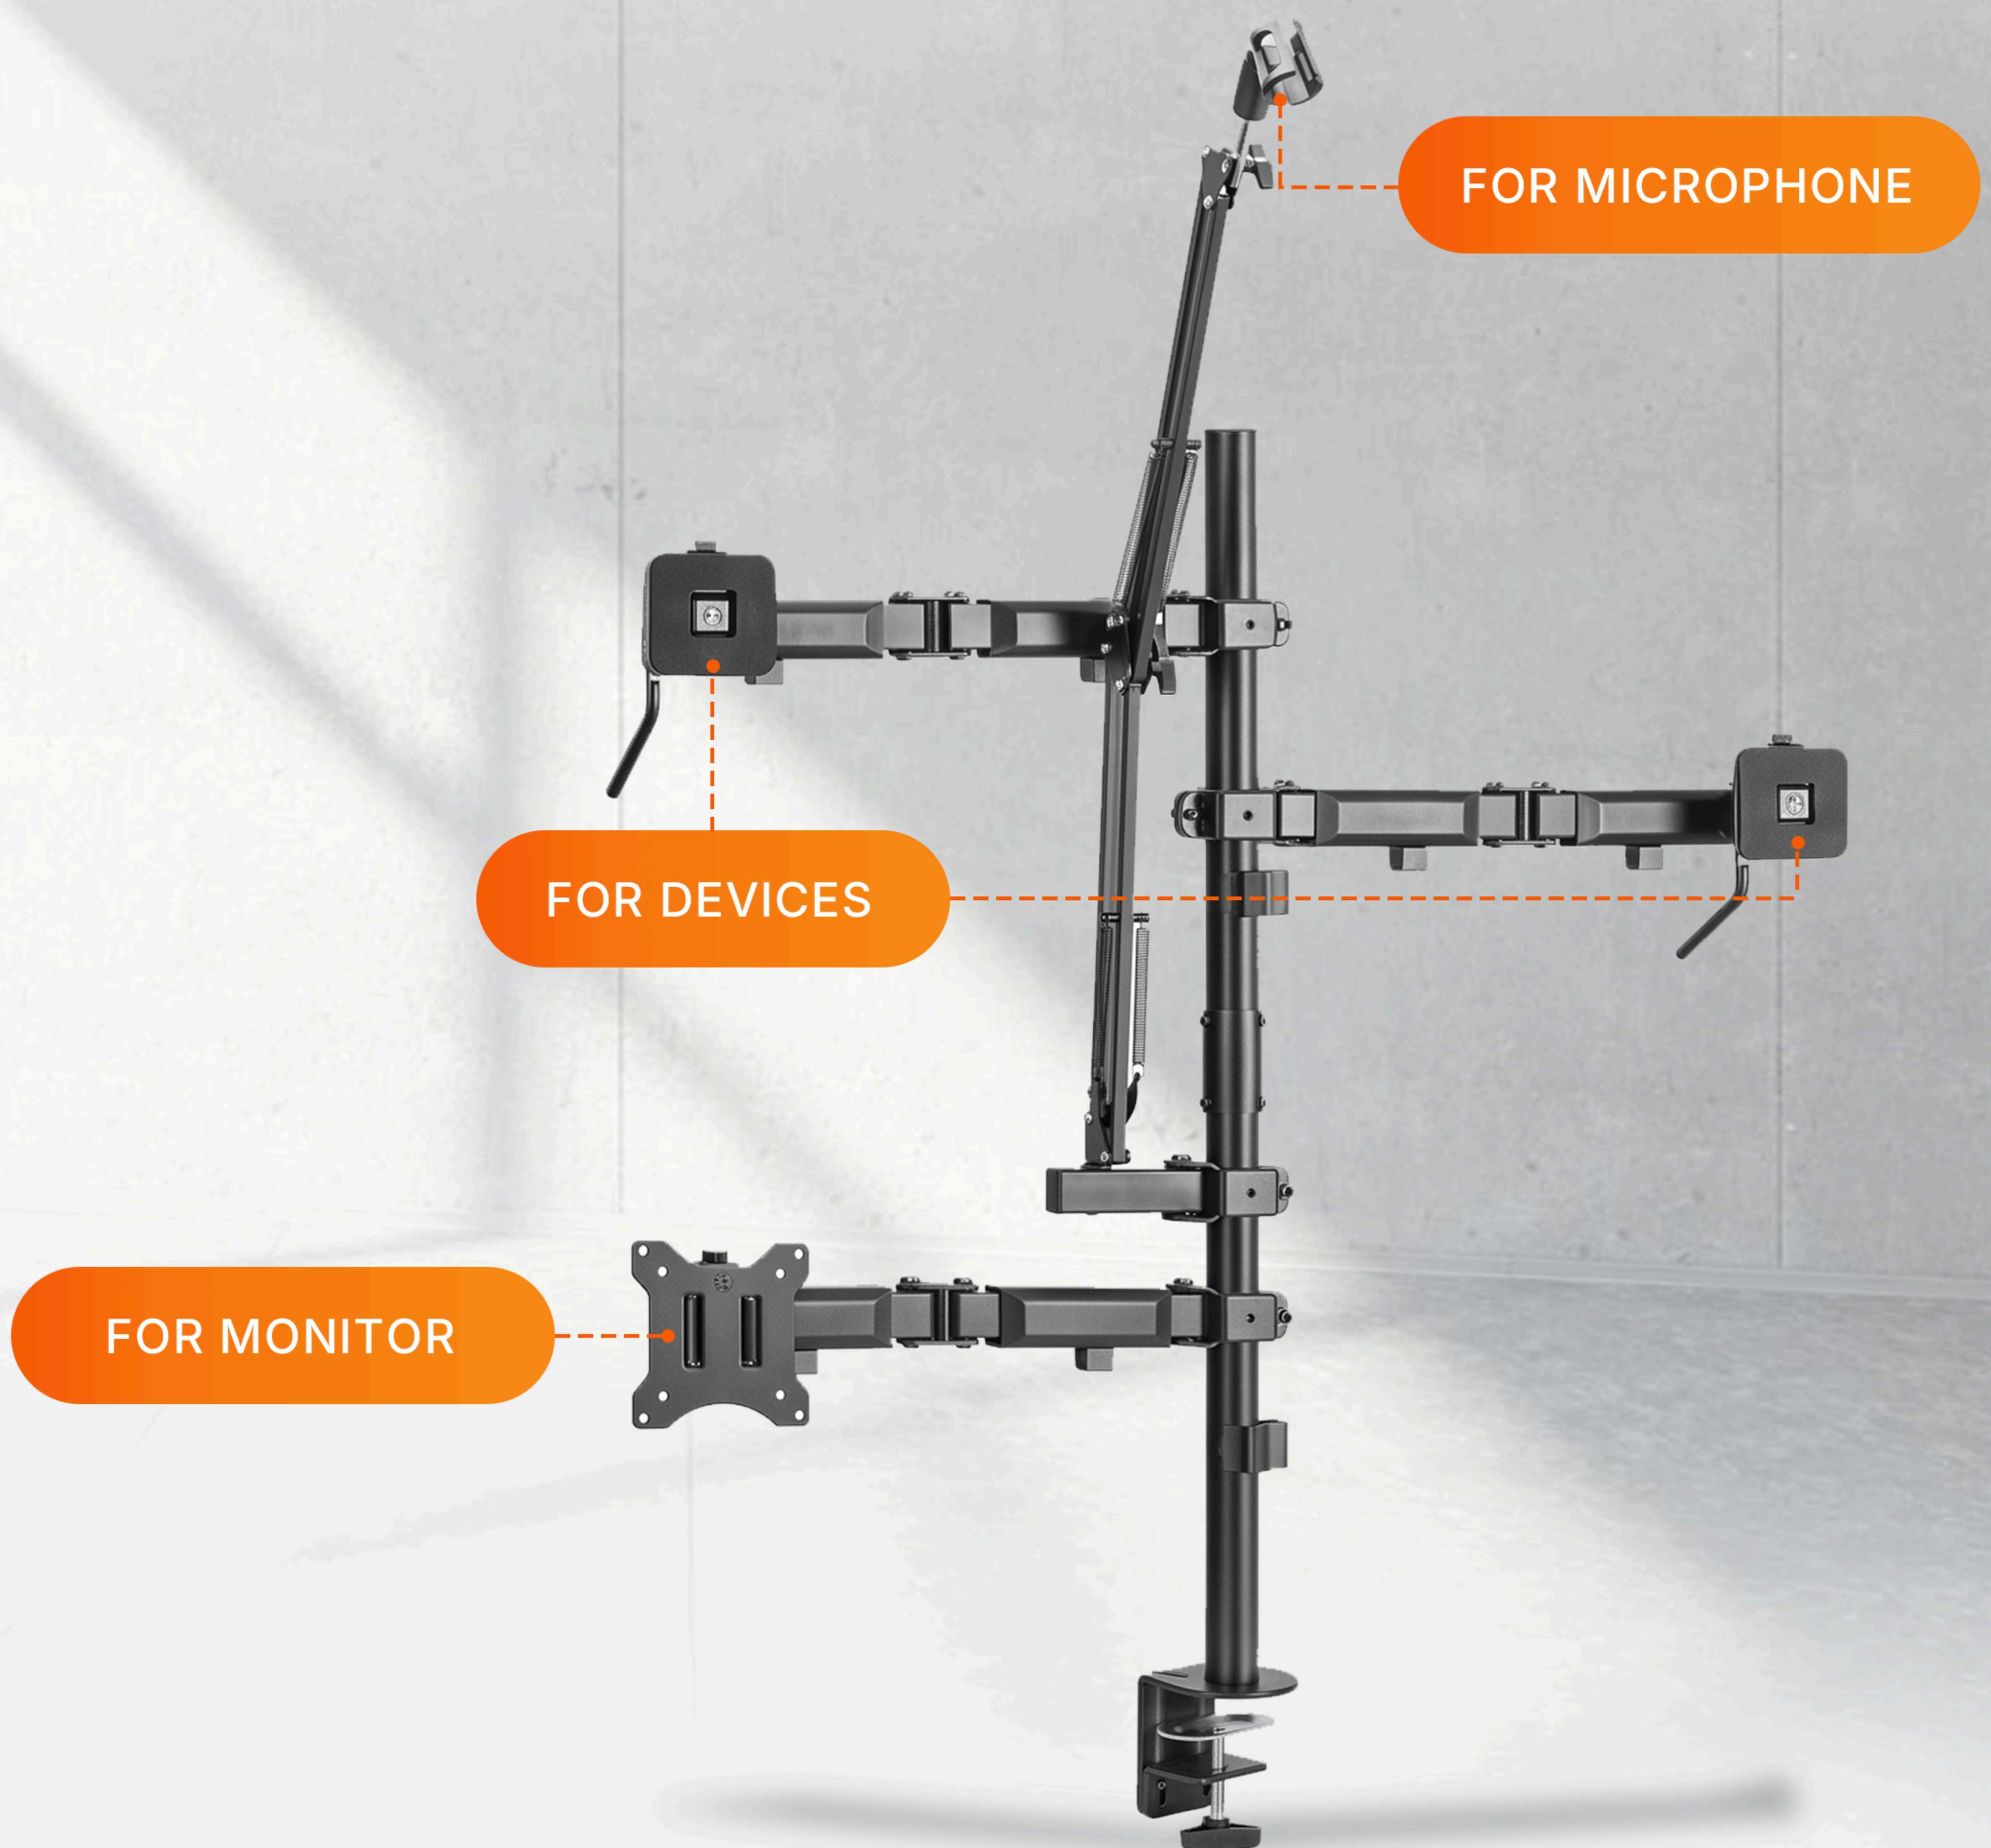

SINGLE-MONITOR ALL-IN-ONE STUDIO SETUP

Create a clean, organized, and professional workspace with the **Brateck Single-Monitor All-in-One Studio Setup Desktop Mount**. Designed for 17"–32" flat and curved monitors up to 9kg, it combines monitor support with integrated accessories to keep your streaming, gaming, or work setup efficient and clutter-free.

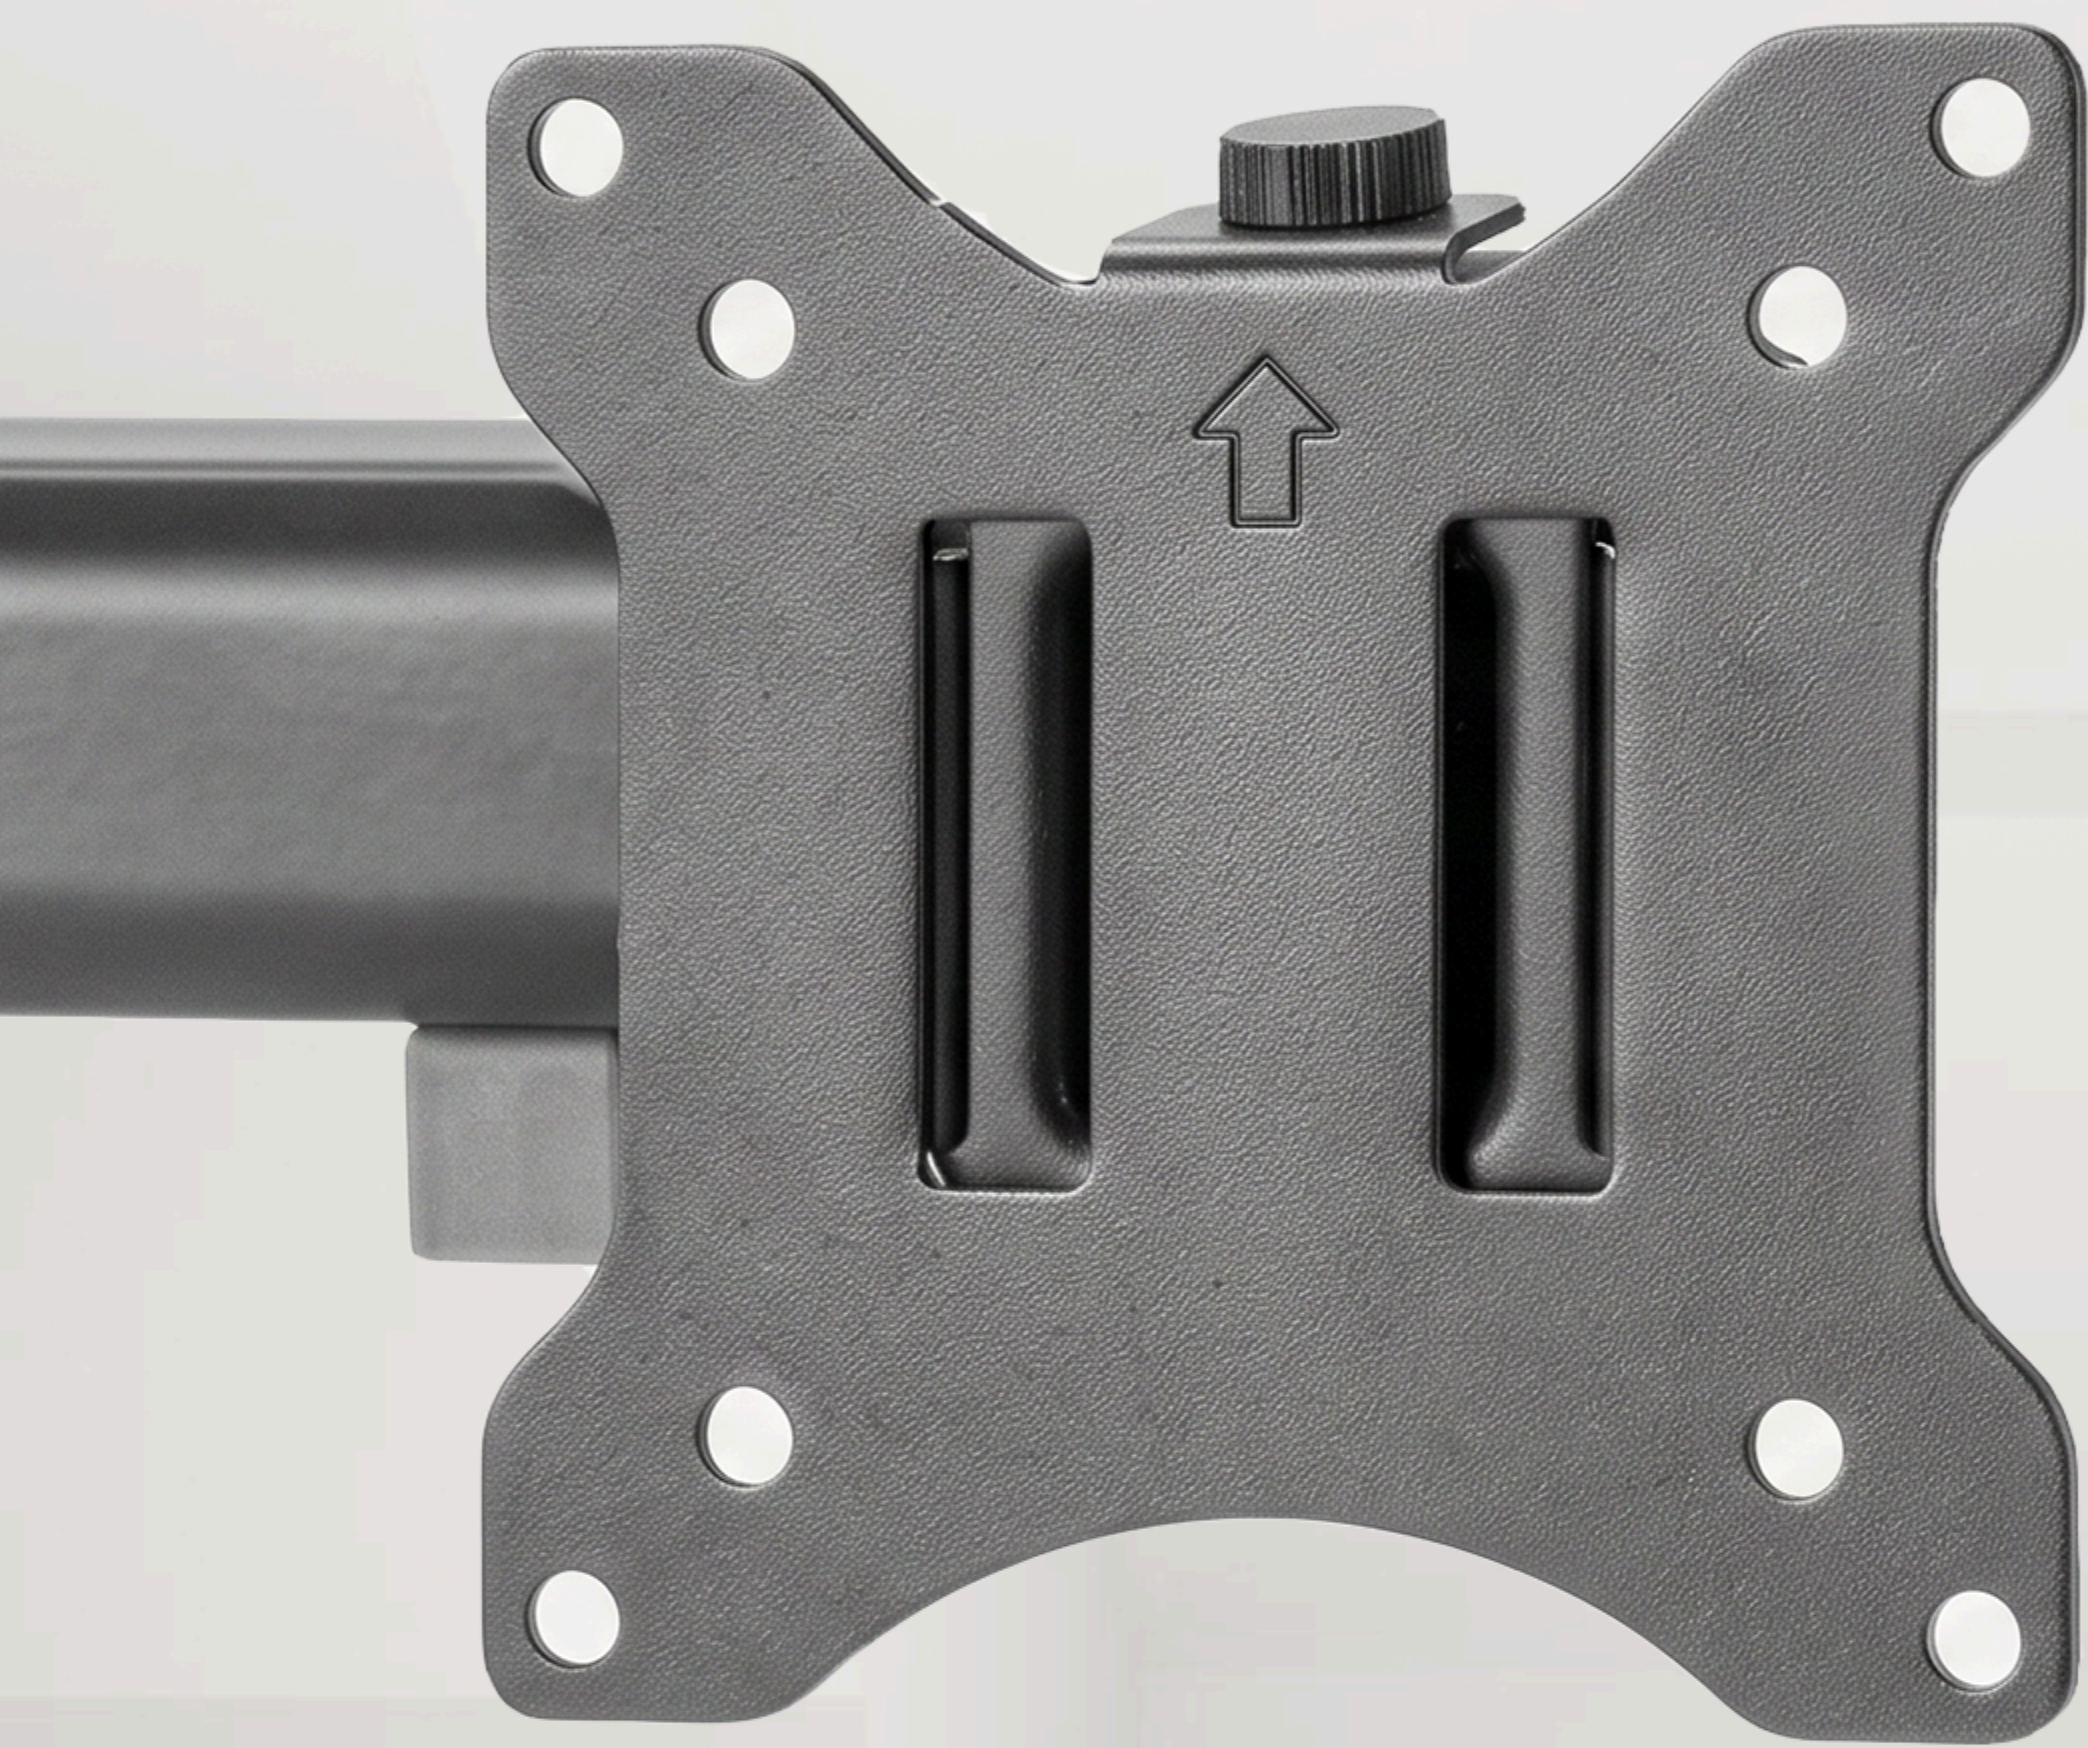

Space-Saving Design

Maximize your desktop by lifting your monitor and accessories off the desk, creating a cleaner, more organized workspace with extra room for your essentials.

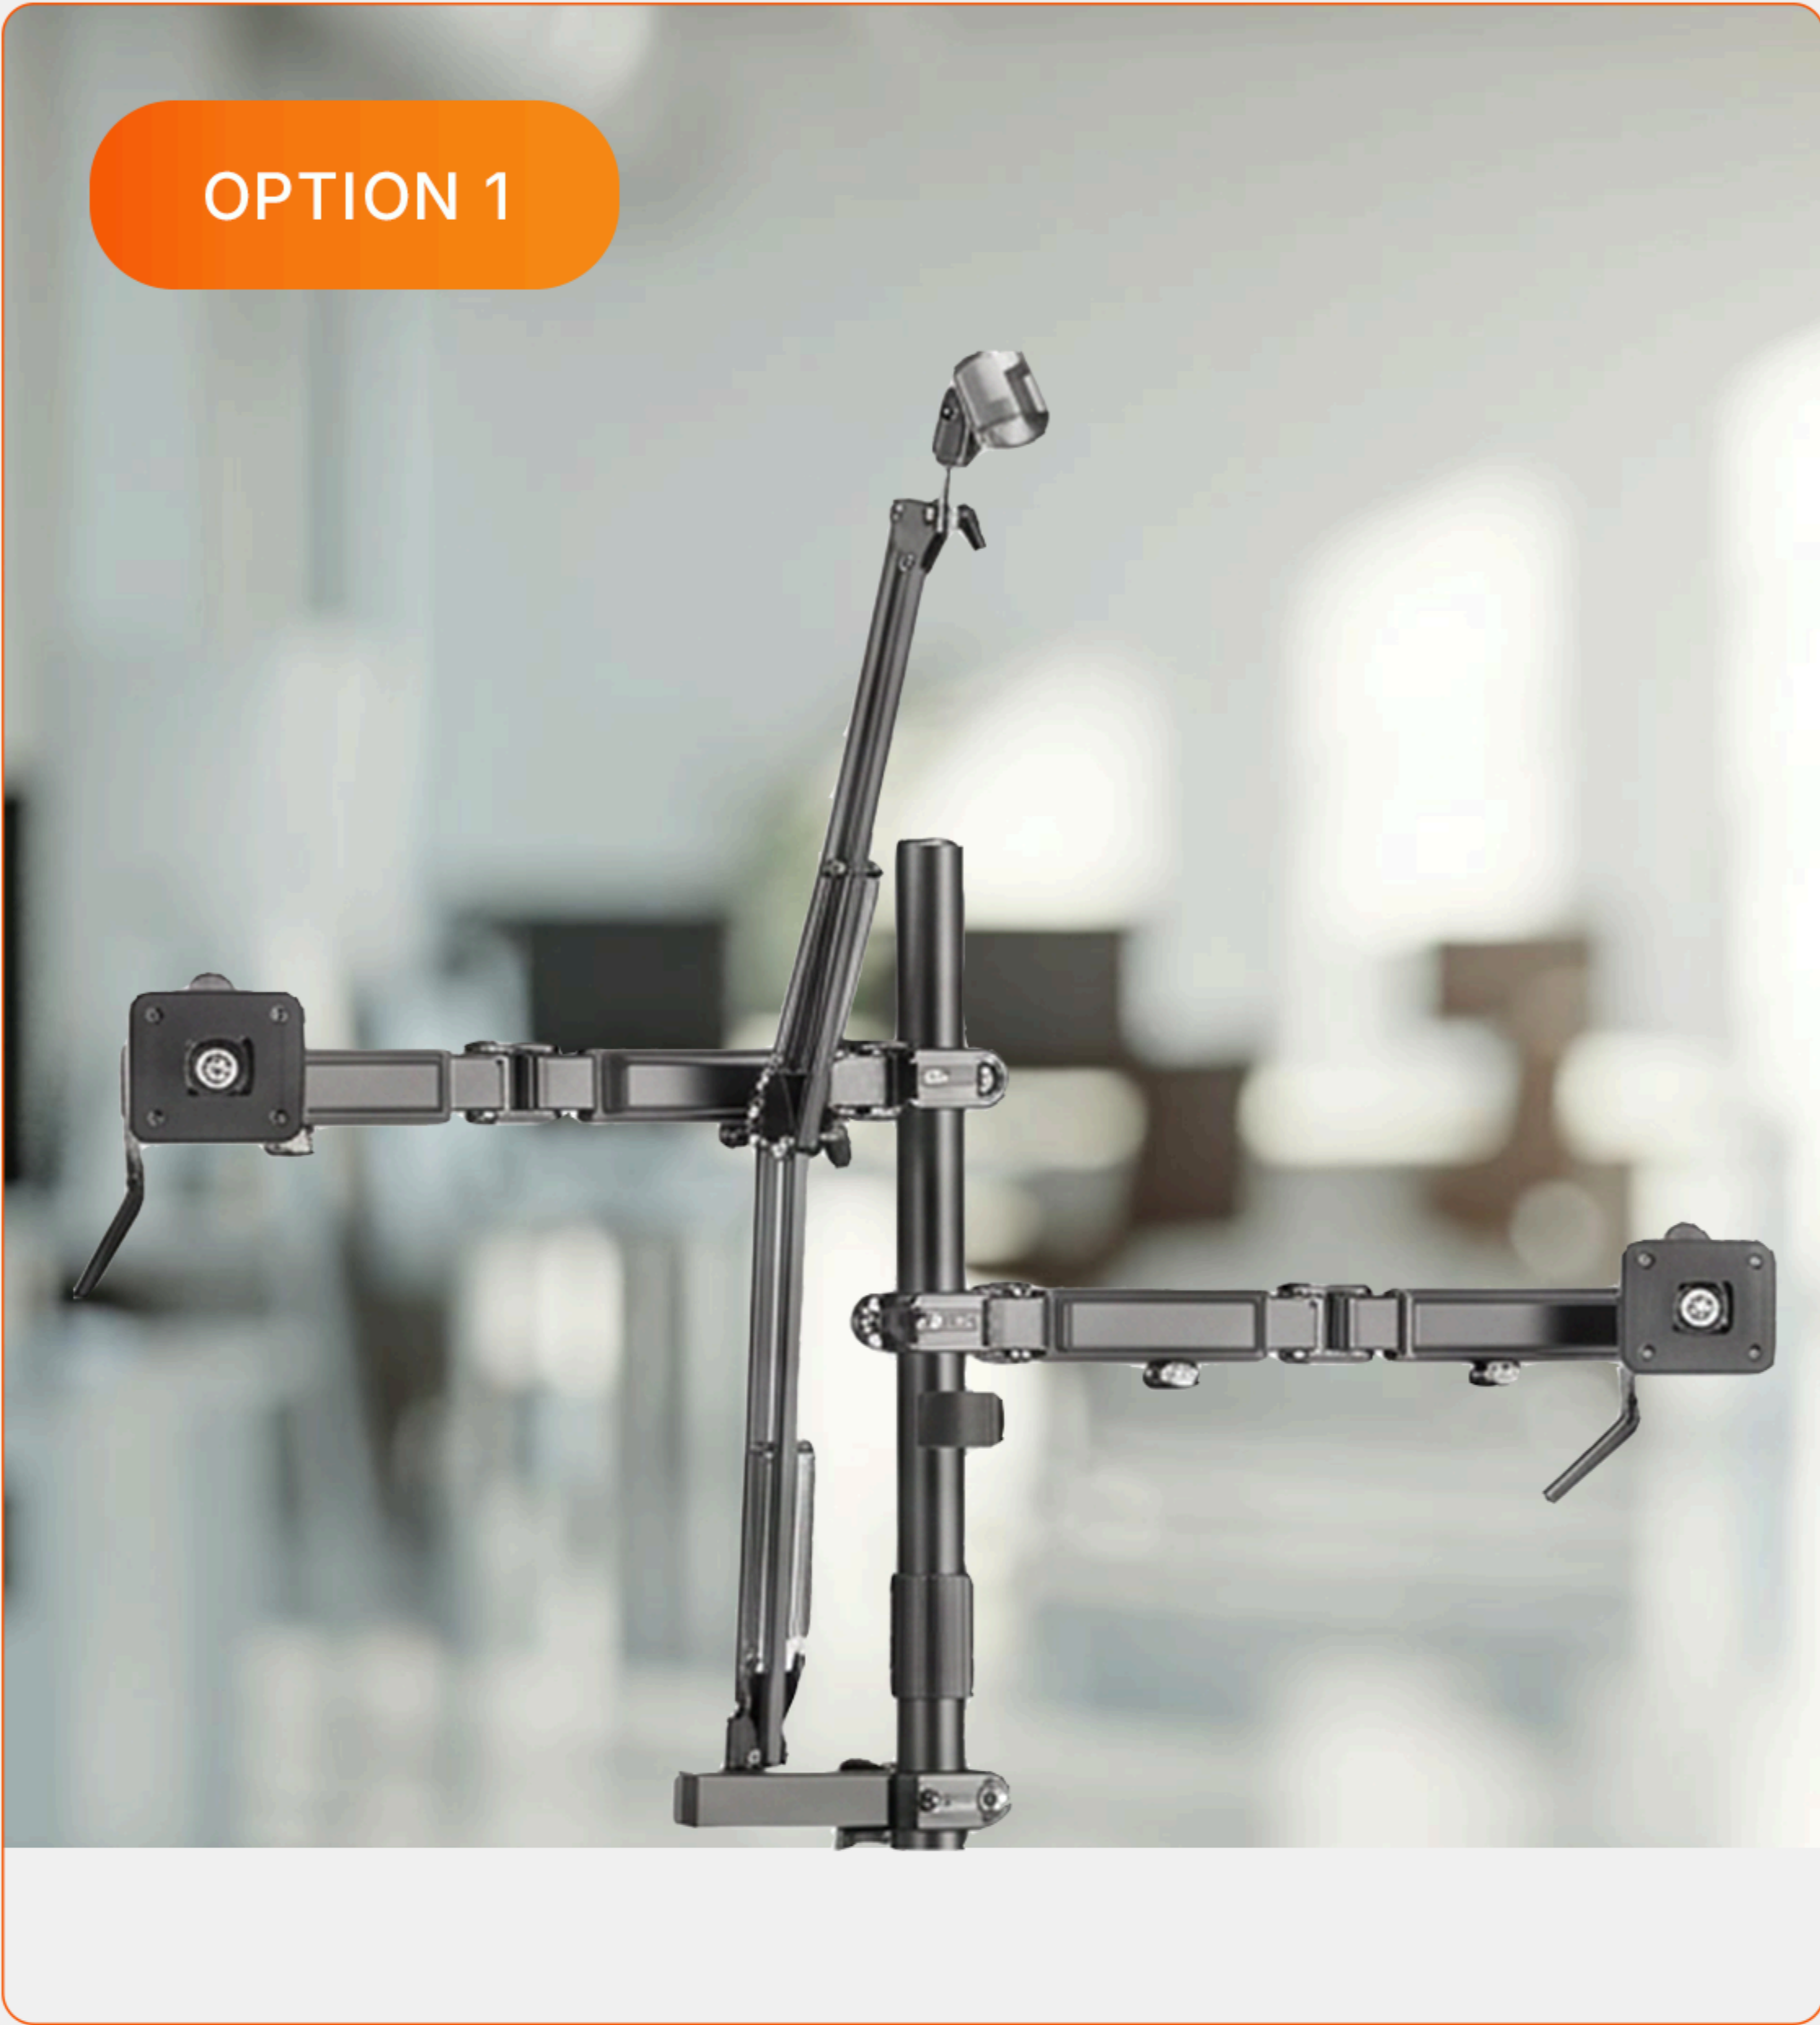

Full Range of Motion

Enjoy smooth tilt, swivel, rotation, and height adjustments to achieve the most comfortable viewing, working, or streaming position.

Flexible Microphone Mount

Easily position your microphone exactly where you need it for clear audio recording, streaming, video calls, or content creation.
