

Large RGB Gaming Mouse Pad

Light Up Every Move.

The **Brateck MABT-MP06-4 Large RGB Gaming Mouse Pad** combines smooth mouse movement with customisable desktop lighting. Seven colours, three lighting modes, a water-resistant surface and anti-slip backing create a clean, stable setup for gaming, work or everyday use.

7 Colours. 3 Lighting Modes.

Choose from seven RGB colours and Breathing, Cycling or Wave modes to match your keyboard, mouse and desktop setup.

Smooth Surface. Easy Movement.

The smooth fabric surface helps reduce resistance for easy, responsive mouse movement across the extended pad.

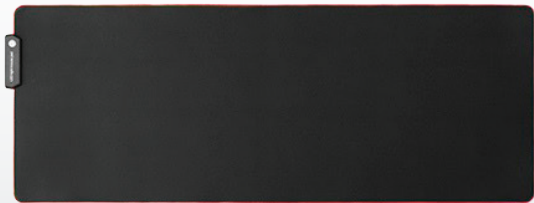

Water-Resistant. Anti-Slip.

Water-resistant construction helps protect against accidental spills, while the anti-slip rubber backing keeps the pad securely in place.
