

A clear desk pad is shown on a dark desk. A white keyboard and a white mouse are on the pad. In the background, there is a laptop and some papers. The text 'Brateck' is at the top in orange, and 'Protect Without Hiding the Surface.' is in the middle in black. At the bottom, there is an orange button with the text 'CLEAR DESK PAD' in white. Below the button, there is a paragraph of text in white.

Brateck

Protect Without Hiding the Surface.

CLEAR DESK PAD

Keep your desk looking clean, stylish, and protected with the **Brateck MP10-18 Clear Desk Pad**. Designed with a large, transparent surface, it helps protect your desk or tabletop from scratches, spills, scuffs, stains, and everyday wear while letting the original surface shine through. Perfect for workspaces, study areas, dressing tables, and dining tables.

Clear Textured Surface

Keeps photos, notes, lists, charts and schedules visible underneath while providing a practical working surface.

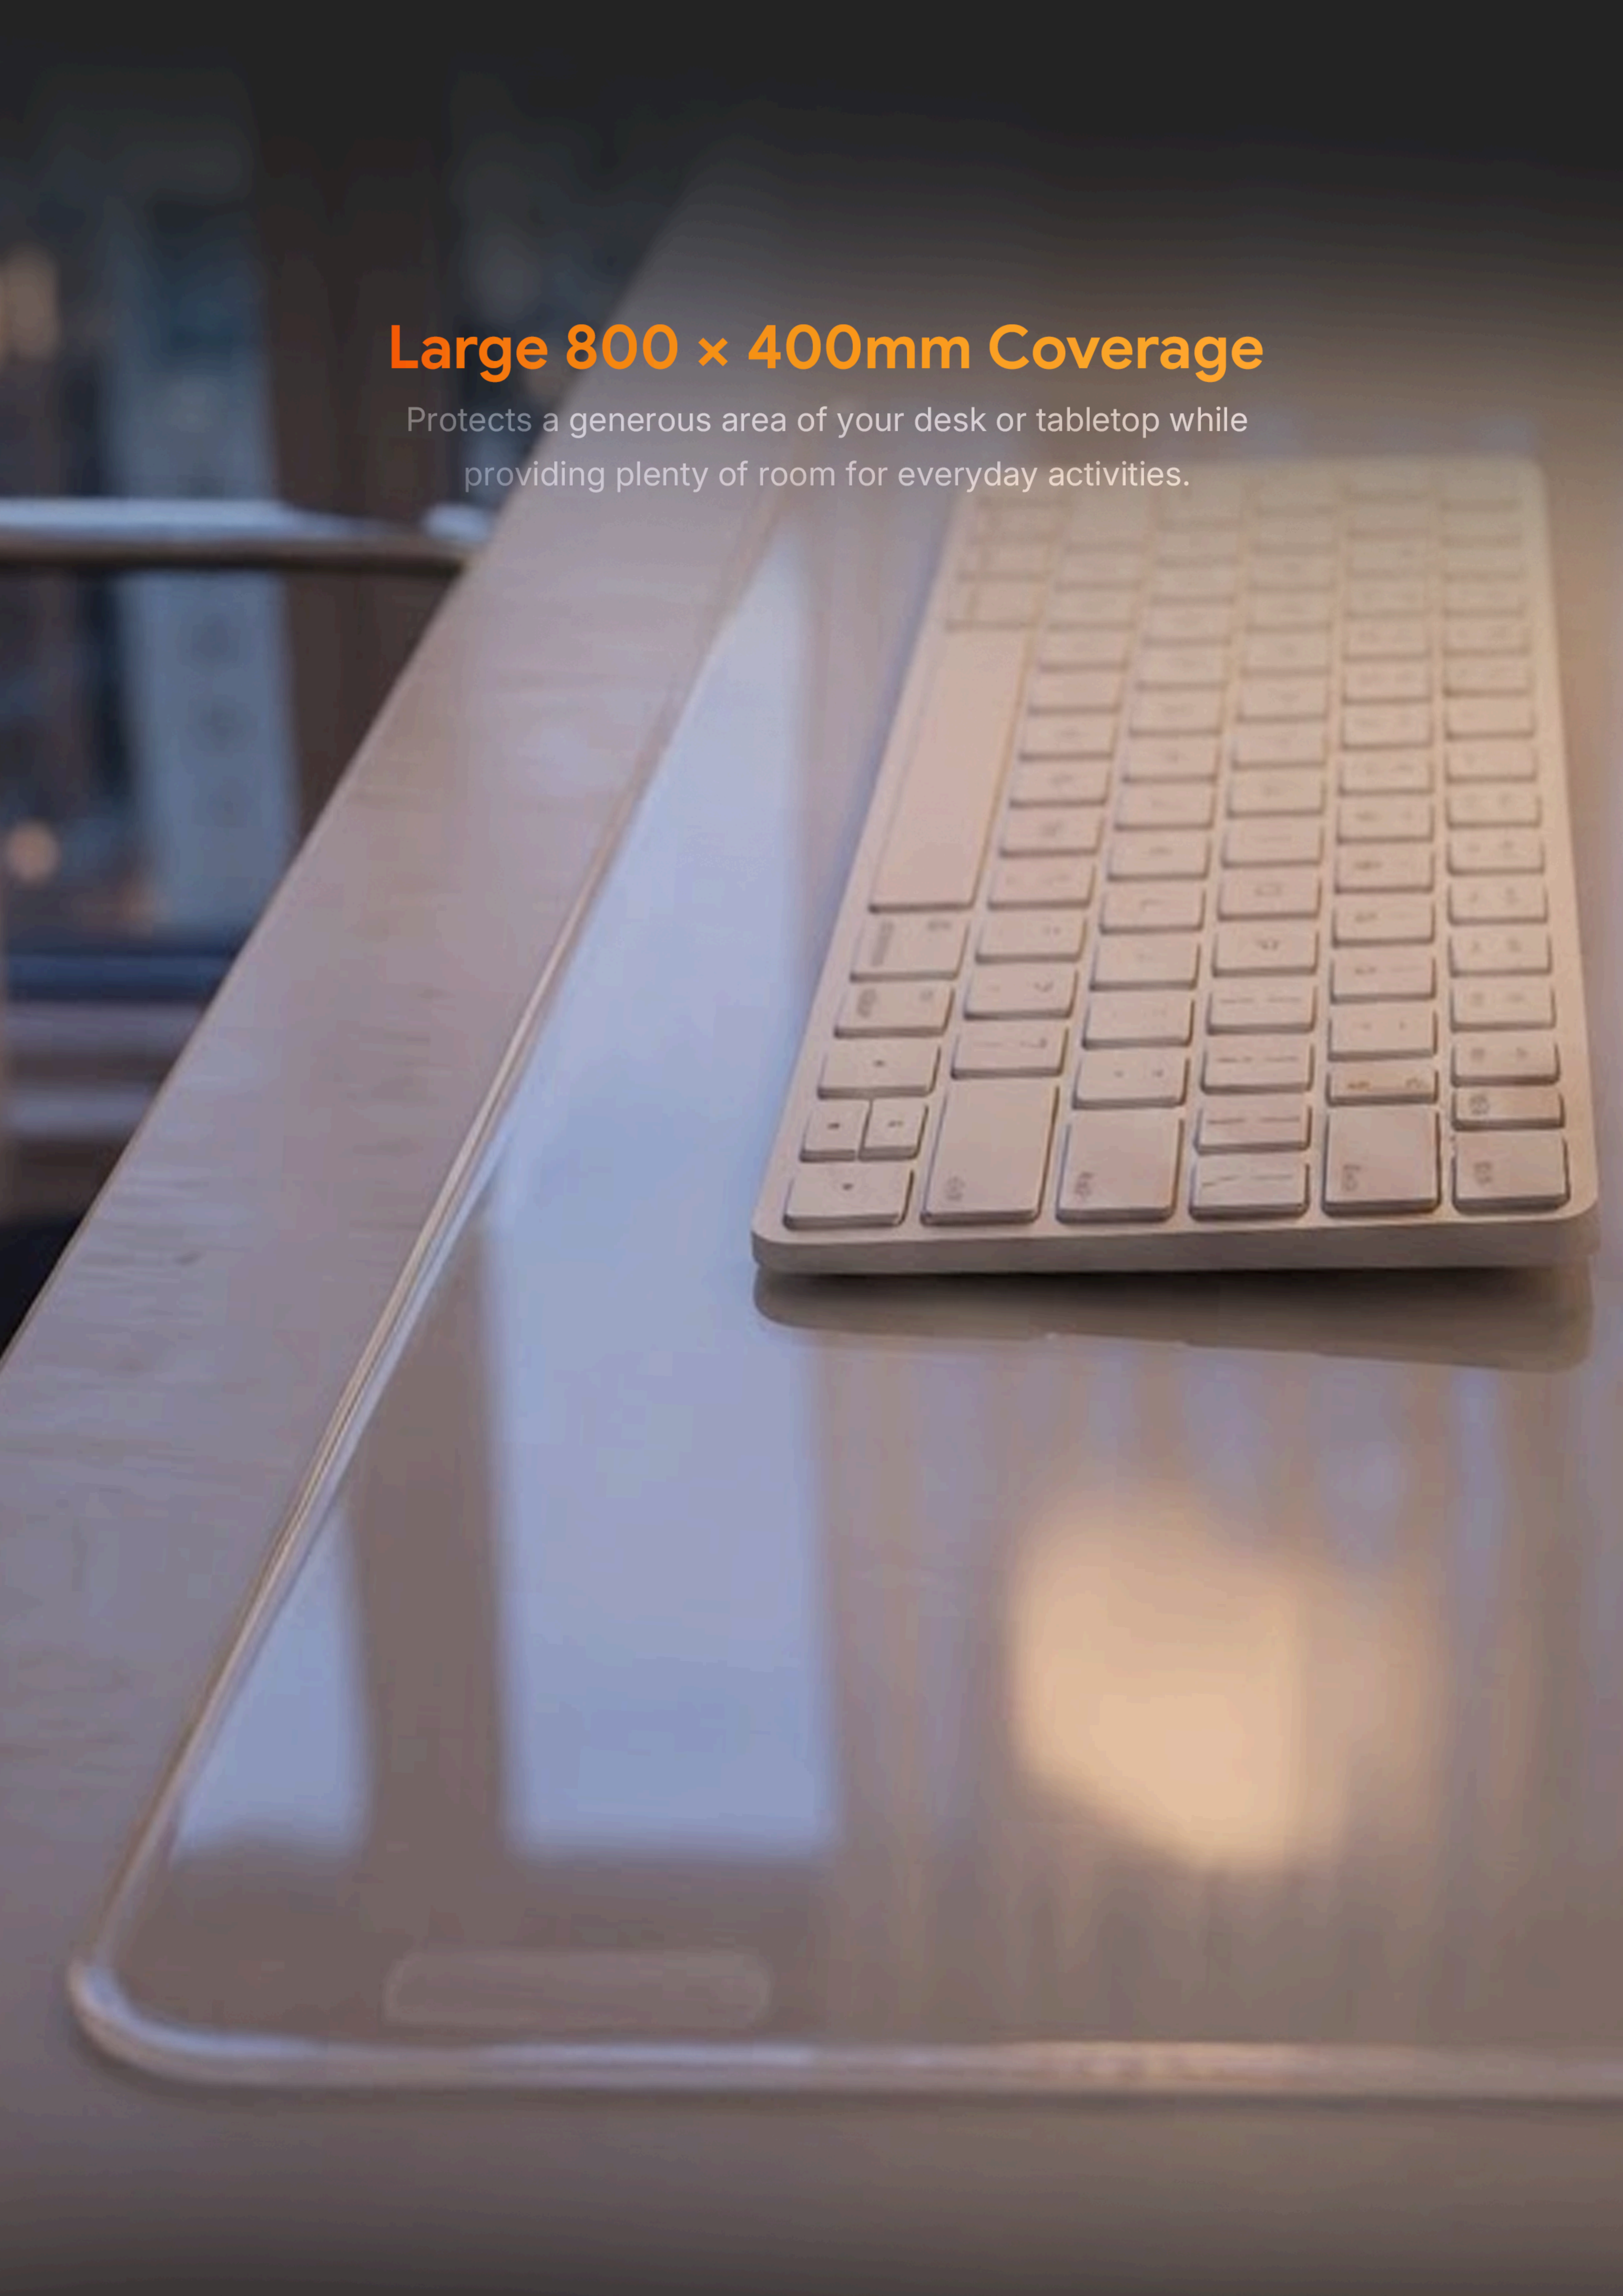

Water-Resistant & Easy to Clean

Helps protect against everyday spills and can be easily wiped clean with a damp cloth or vacuumed for simple maintenance.

Large 800 × 400mm Coverage

Protects a generous area of your desk or tabletop while providing plenty of room for everyday activities.

Smooth Mouse Surface

Reduces resistance for easy, comfortable mouse movement during work, study and everyday use.
