

Clear Desk Pad

Protect Without Hiding The Surface.

Keep your desk looking clean, stylish, and protected with the Brateck MP10-18 Clear Desk Pad. Perfect for workspaces, study areas, dressing tables, and dining tables.

Clear Textured Surface

Keeps photos, notes, lists, charts and schedules visible underneath while providing a practical working surface.

Generous Surface

Protects a large area of your desk or tabletop while providing plenty of room for everyday activities.

Smooth Mouse Surface

Reduces resistance for easy, comfortable mouse movement during work, study and everyday use.

Clear Desk Pad

Protect Without Hiding The Surface.

Designed with a large, transparent surface, it helps protect your desk or tabletop from scratches, spills, scuffs, stains, and everyday wear while letting the original surface shine through.

Features

Water-Resistant Material

Helps protect against everyday spills and can be easily wiped clean with a damp cloth or vacuumed for simple maintenance.

Multiple Applications

Ideal for office desks, study desks, dressing tables and dining tables, making it a versatile addition throughout the space.

Desk Protection

Helps protect your desktop from scratches, scuffs, spills and everyday wear while keeping the surface cleaner and more organised.

Clean, Minimal Appearance

The transparent design integrates naturally with different furniture styles without overpowering the existing décor.
