

Brateck

From Ceiling to Screen, Effortlessly.

SMART FLIP DOWN TV CEILING MOUNT

Bring smart, space-saving viewing to modern interiors with the **Brateck PLB-M0546AI Smart Flip Down TV Ceiling Mount**. Powered by TUYA, it adds smart convenience to homes, meeting rooms, hospitality spaces and other environments where flexible TV placement and efficient use of space matter. Its motorized flip-down design keeps the screen neatly stored overhead when not in use and brings it into viewing position when needed.

Smart Flip-Down Design

Stores the TV neatly overhead when not in use, helping free up valuable space while keeping the screen safely out of the way.

↗ SUPPORTS UP TO 70"

Powerful Motorized Performance

Built with a strong, stable motor system for smooth and dependable TV movement, delivering durable performance for everyday use.

Tuya App Remote & Voice Control

Control the TV mount conveniently through the Tuya App or use simple voice commands, allowing you to adjust the screen position directly from a compatible smart device.

VIA AMAZON ALEXA OR GOOGLE HOME

Precision Leveling Adjustment

Fine-tune the TV after installation to achieve a properly aligned and professionally positioned display.
