

Brateck

Designed to Keep Business Moving.

POS MOUNTING FOR DUAL SCREENS

Built for efficient point-of-sale environments, the **Brateck Dual-Screen POS Mounting Solution** combines two 17"-32" displays with an integrated keyboard tray in one clean, organized workstation. Supporting up to 9kg per screen, it helps maximize counter space, improve screen positioning and create a more professional setup for retail, hospitality and service environments.

Professional All-in-One Workstation

Combines displays and keyboard support into one streamlined mounting system for a cleaner, more coordinated POS setup.
