Monitor Riser

Three Heights. One Smarter Setup.

The The Brateck STB-081 Height-Adjustable Stand combines ergonomic comfort, reliable strength and space-saving functionality for modern workspaces.

Three-Level Height Adjustment

Features three adjustable height settings, allowing users to elevate their monitor or laptop to a more comfortable viewing.

Durable Steel Construction

Combines strong steel and components with a scuff-resistant powder-coated matte black finish, delivering a durable, modern appearance.

Enhanced Viewing Comfort

Raises your screen to a more natural viewing position, making long hours of work, studying, browsing, or gaming feel more comfortable.
