

Monitor Riser

More Room To Work, Right Under Your Monitor.

The Brateck MABT-STB-181 3-in-1 Aluminum Monitor Riser raises your monitor to a more comfortable viewing height while adding practical storage beneath.

Strong Aluminum Construction

Combines lightweight styling with dependable support for modern workspaces.

Built-In Desk Organizer

Adds dedicated storage space to keep frequently used items organised and within easy reach.

3-in-1 Workspace Design

Combines monitor elevation, storage and organisation in one compact desktop solution.

Monitor Riser

More Room To Work, Right Under Your Monitor.

Its lightweight aluminum construction, multi-layer design and compact footprint make it a smart upgrade for home offices, study areas and professional workstations.

Features

Strong Magnetic Attachment

Helps compatible modular components stay securely connected while allowing a clean, integrated setup.

Space-Saving Laptop Storage

Holds a compatible laptop vertically to free up valuable desktop space and create a cleaner workstation.

2 Height Settings

Adjusts between two height positions to help achieve a more suitable viewing level for different users and desk setups.

Cable Outlet at the Back

Routes charging and peripheral cables neatly to help maintain a more organised desktop.
