

Brateck

Build Smarter Storage, One Wall at a Time.

SLAT WALL MOUNTING PLATE

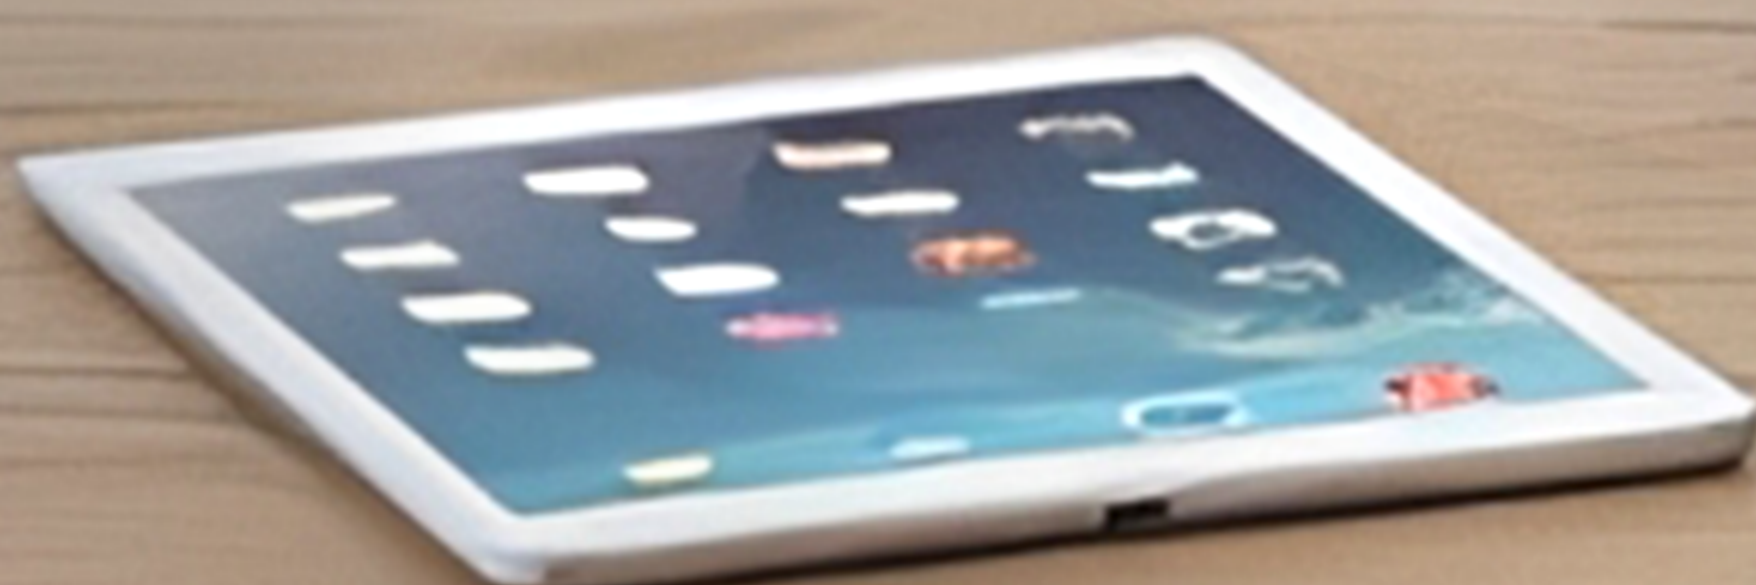

Durable and easy to install, the **Brateck Slatwall Wall Mounting Plate** offers a practical way to keep tools, accessories, and essentials neatly within reach. Designed to work seamlessly with slatwall panels, it provides a secure foundation for building a wall-mounted slatwall system, helping you maximize vertical spaces.

Versatile Storage System Support

Ideal for offices, garages, workshops, retail environments and utility rooms, supporting a wide range of slatwall accessories.

WALL MOUNTING

Durable Steel Construction

Made from heavy-duty steel to ensure long-lasting durability and dependable support for everyday storage needs.
