

Brateck

**Freedom to Pivot.
Power to Perform.**

SLATWALL PIVOT MONITOR MOUNT

The **Brateck Slatwall Pivot Monitor Mount** allows smooth monitor adjustment for improved viewing comfort and productivity, while keeping your desk organized and clutter-free. Built for seamless integration with Brateck slatwall systems, this mount is ideal for modern offices, control rooms, and collaborative workspaces.

Full Motion Ergonomic Adjustment

Allows users to easily tilt the monitor to reduce glare, swivel for better viewing angles, and rotate between landscape and portrait orientations for maximum flexibility and ergonomic comfort.

Space-Saving Slatwall Integration

Mounts directly onto a slatwall system,
freeing up valuable desk space and creating a
cleaner workstation.
