

Brateck

Make the Most of Your Corner.

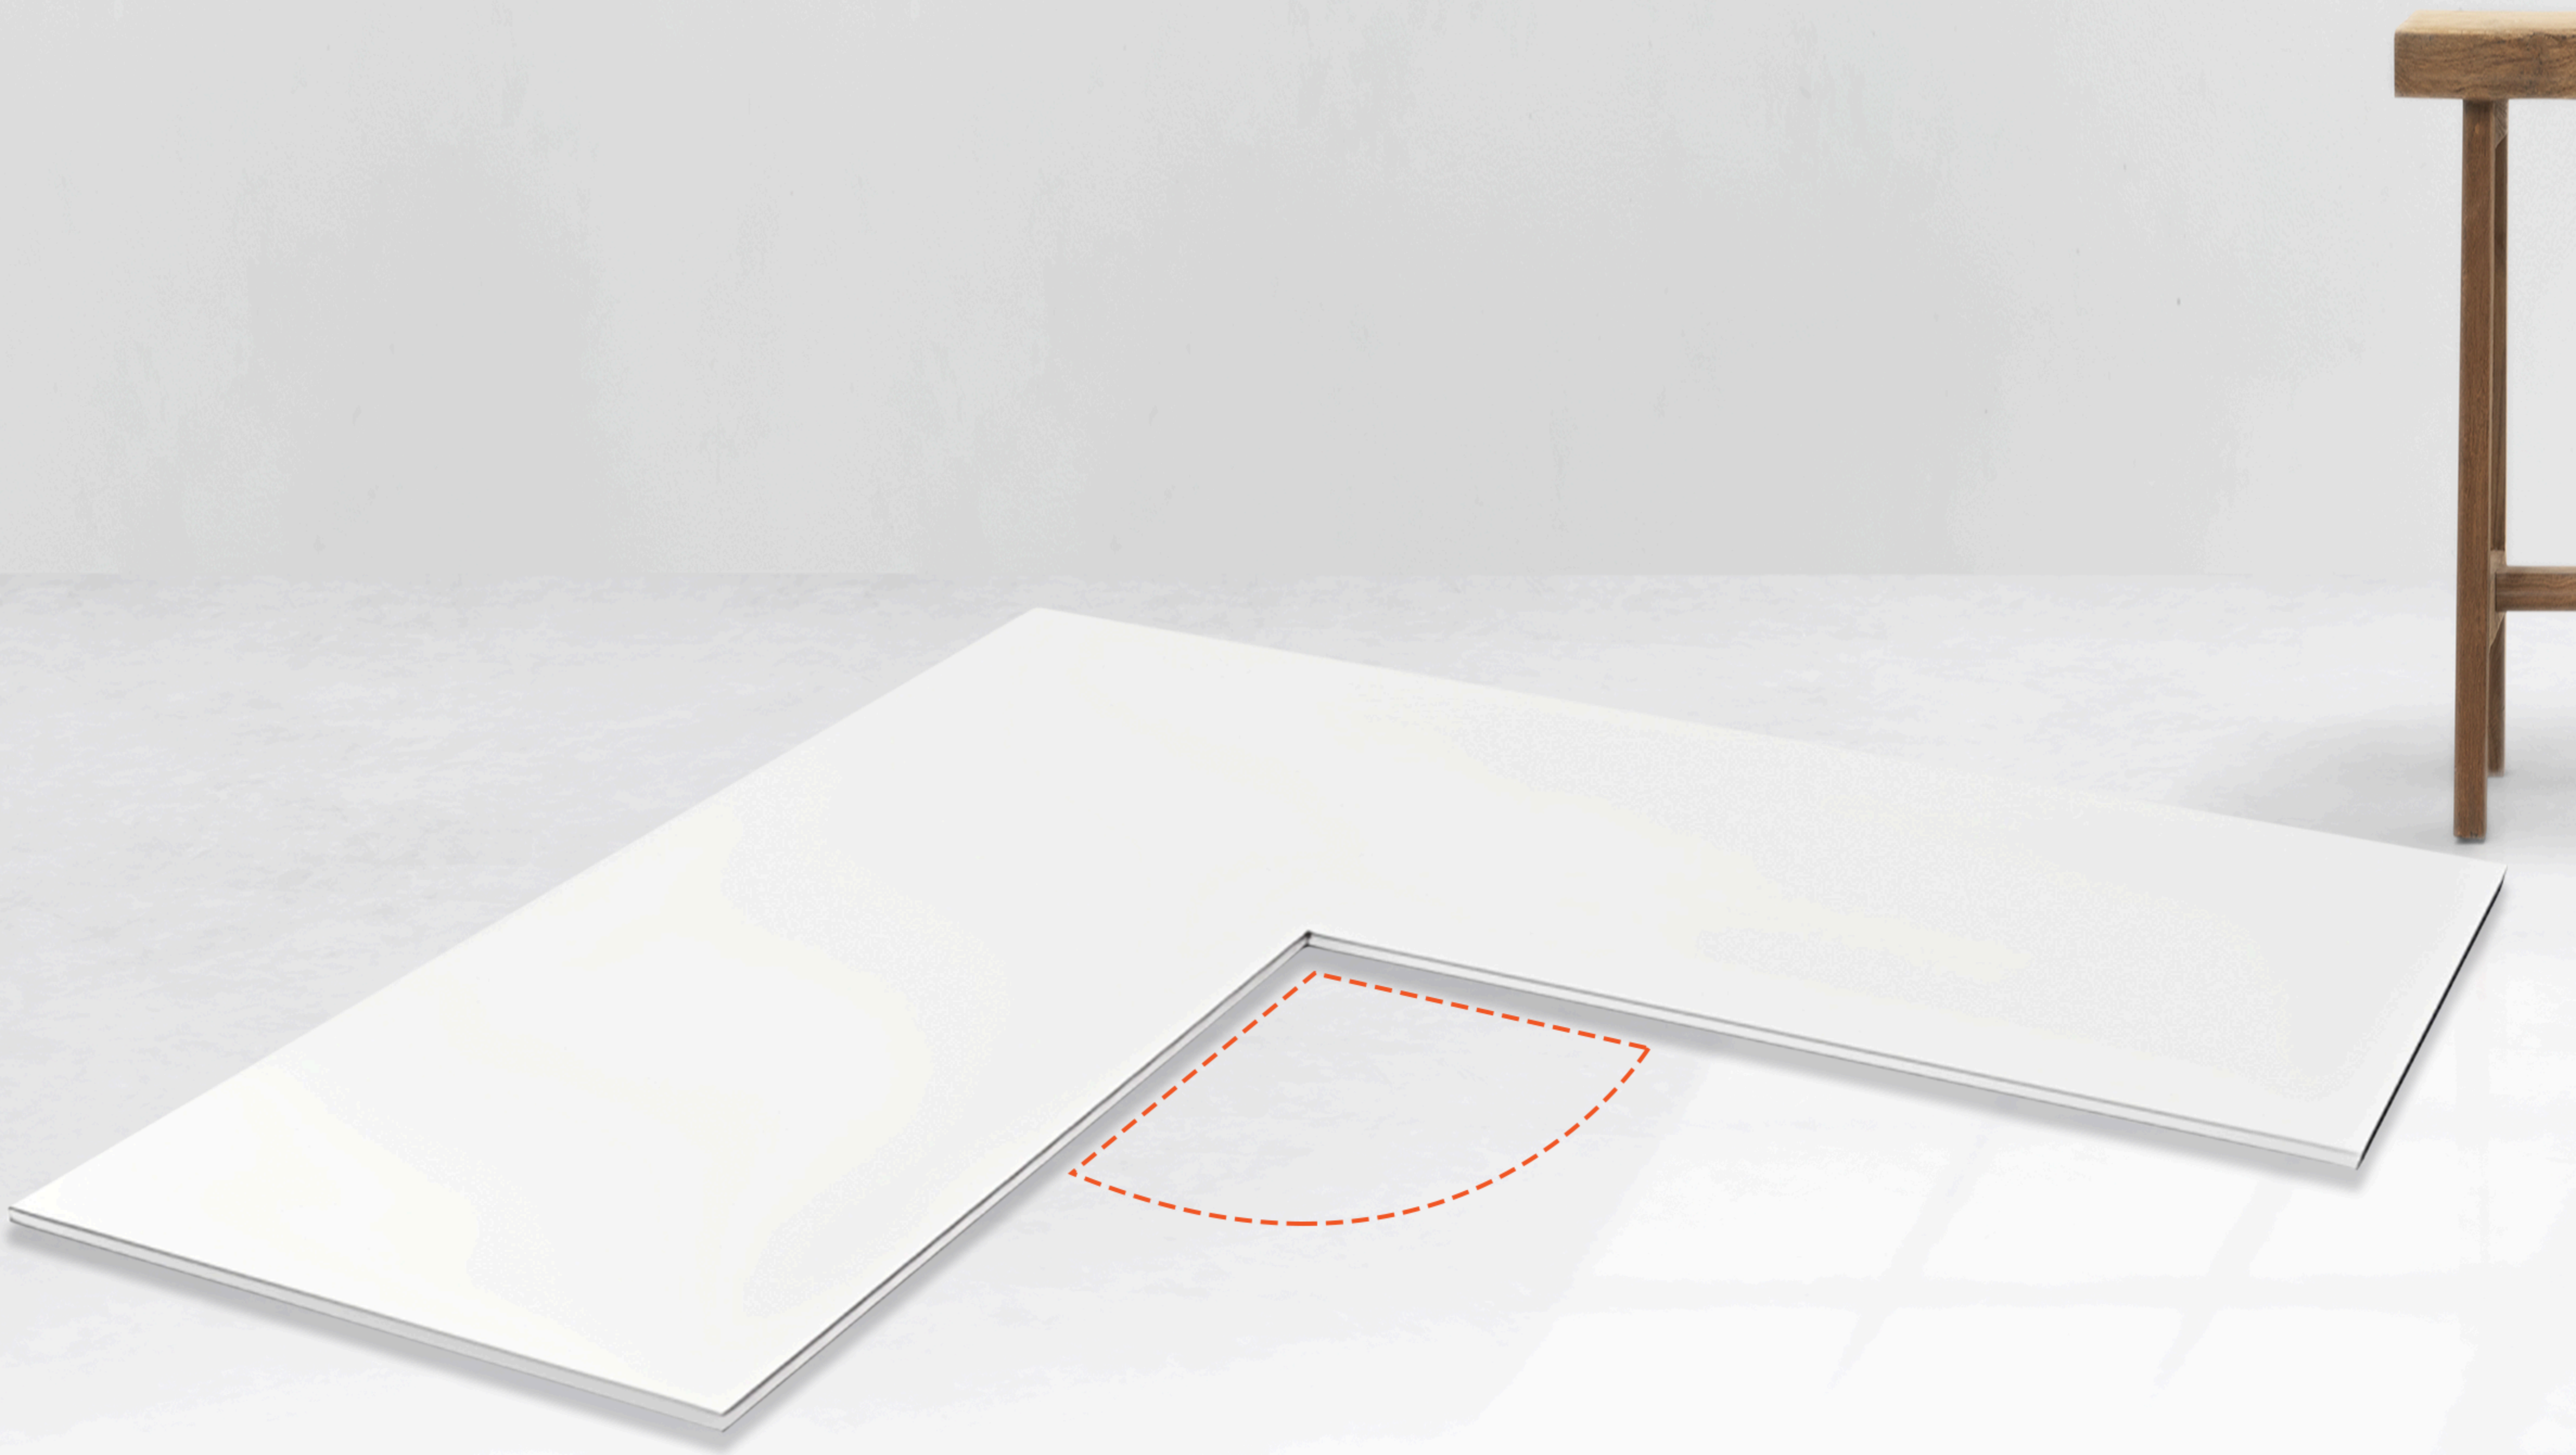

L-SHAPE DESK BOARD

Create a spacious, modern workstation with the **Brateck L-Shape 90° Particle Board Desk Board**. The clean white finish keeps the workspace bright and contemporary, while the L-shaped format makes better use of corner space for home offices, professional workstations and productivity-focused setups.

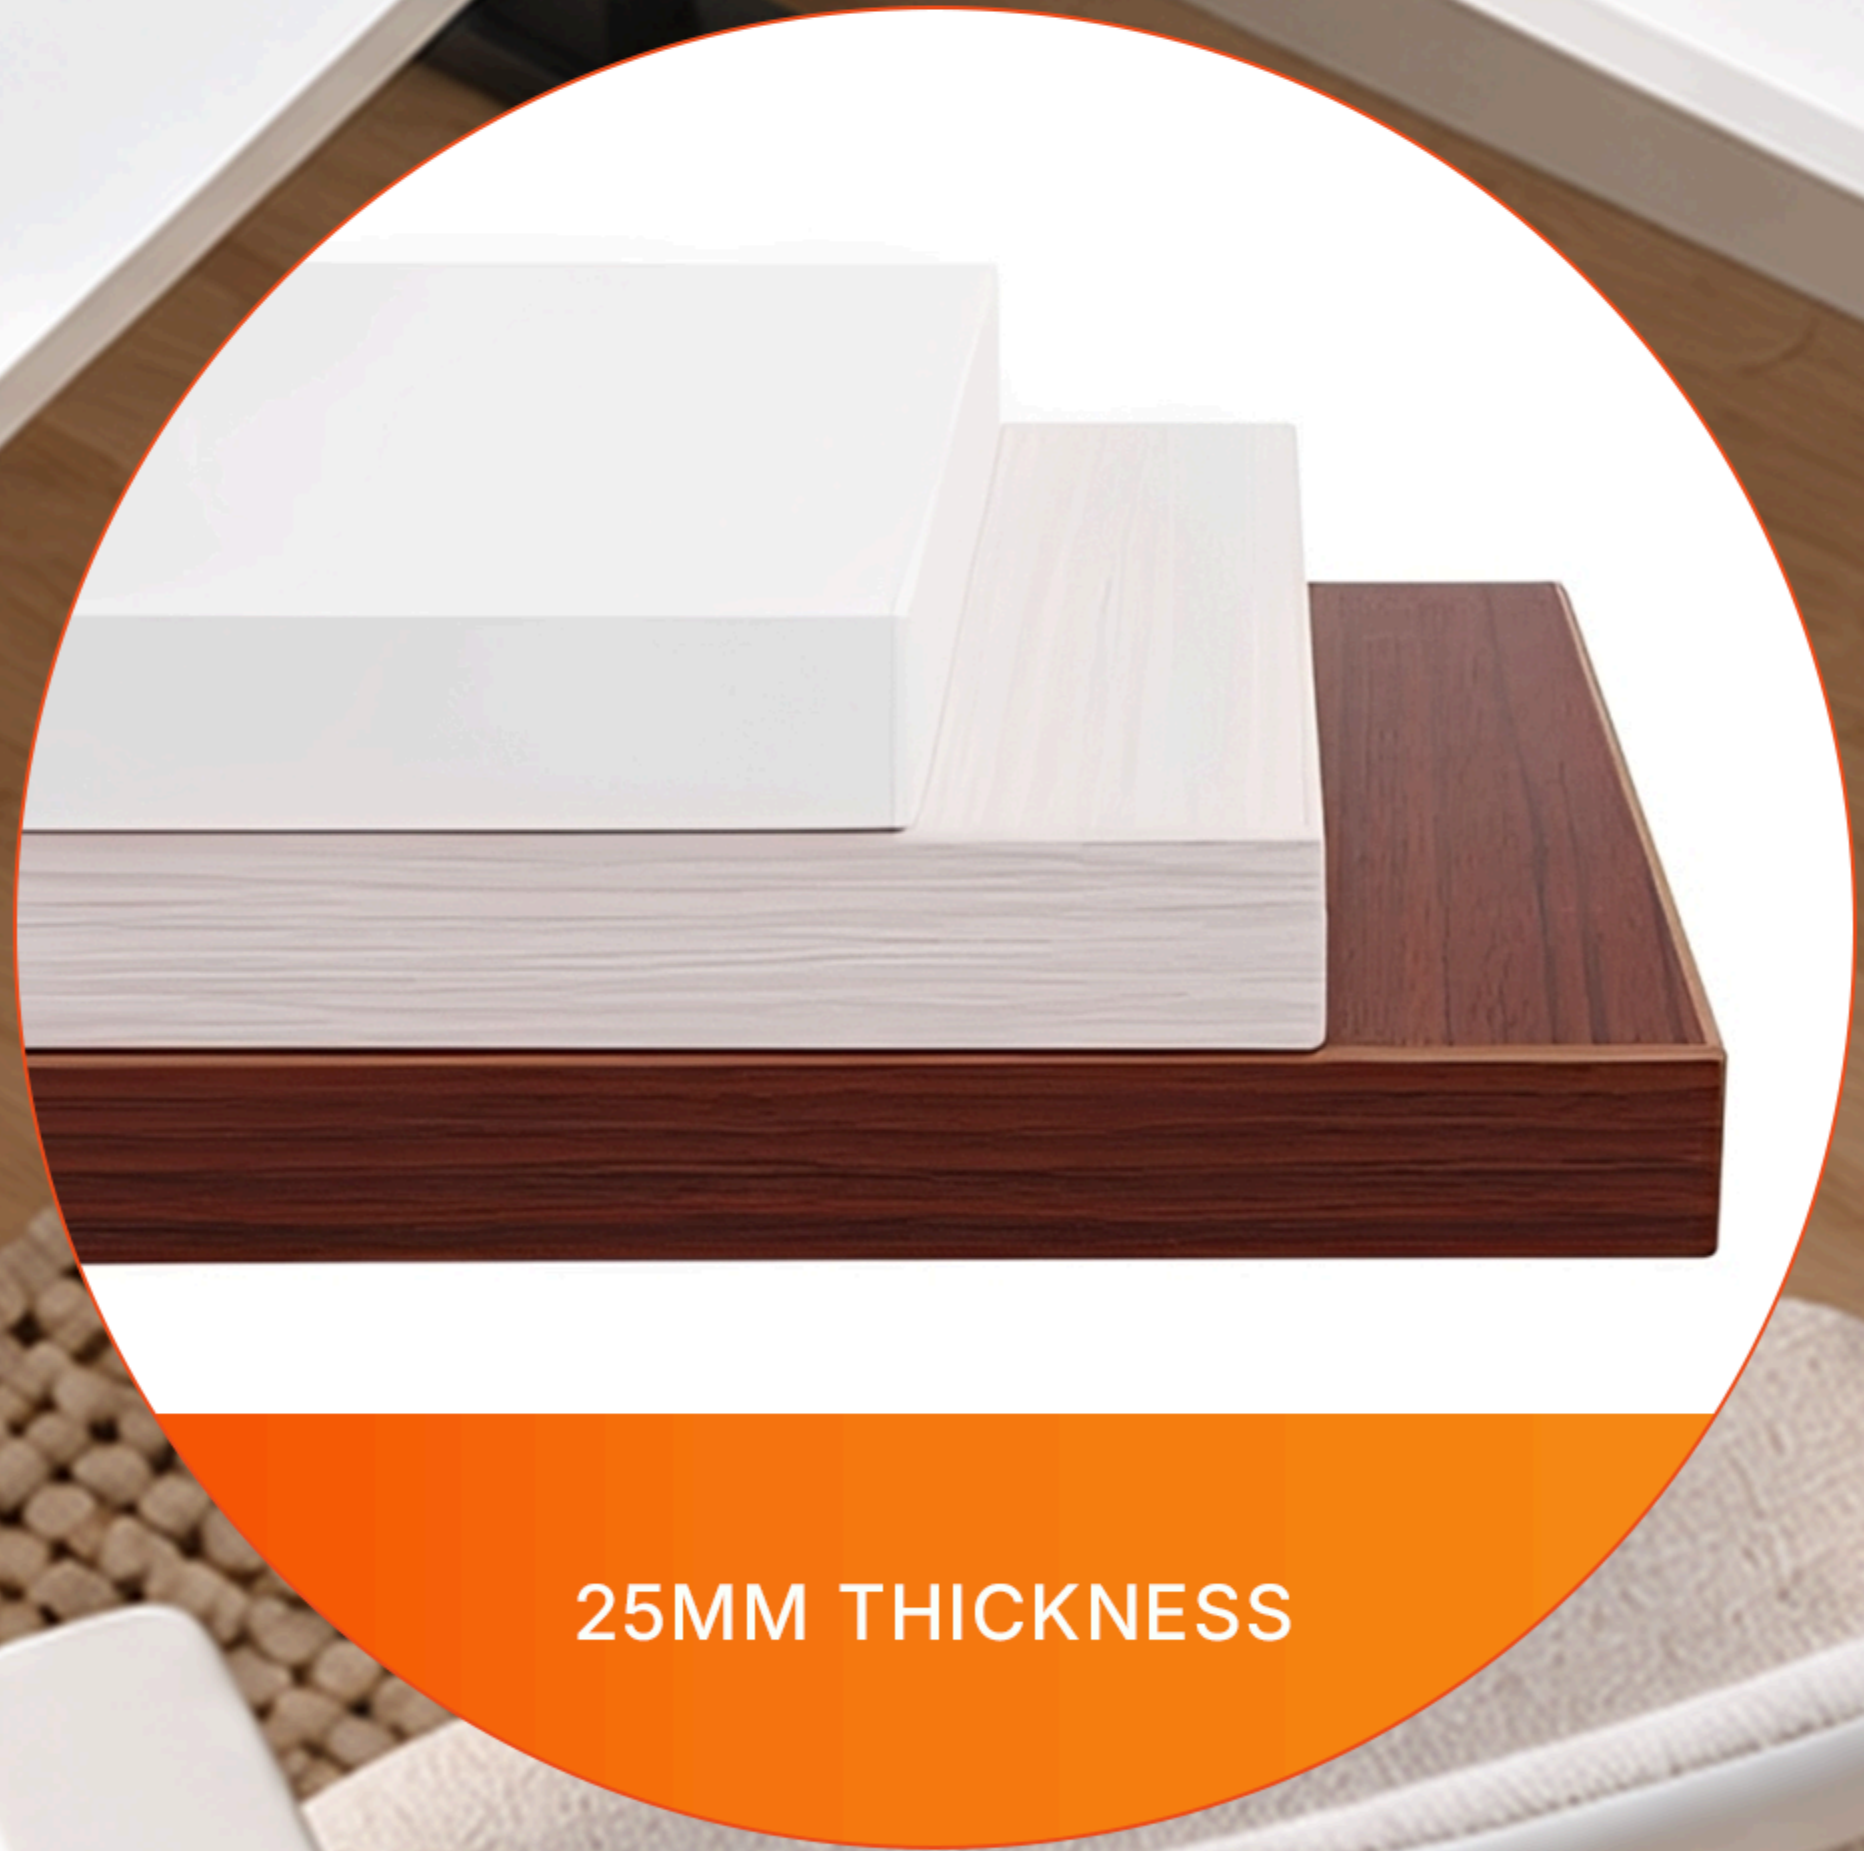

90° Corner Design

Makes efficient use of corner spaces while creating a practical workstation for multitasking.

Spacious & Solid Desktop Surface

The generous 1800 × 750mm work area provides plenty of room for multi-device setups, while the 25mm thick particle board delivers a sturdy, dependable surface for everyday use.

Easy Installation

Designed for straightforward assembly with the recommended desk frame, helping you build a stable L-shaped workstation quickly and with less hassle.

Recommended Frame Compatibility

Designed to pair with the **Brateck MABT-M06-33R-B** desk frame for a coordinated L-shaped desk setup.
