

Brateck

Designed to Move Ideas Forward.

ROTATING MOBILE STAND

Featuring a smooth rotating design, durable mobile base, and broad VESA compatibility, **Brateck Rotating Mobile Stand for Interactive Displays** allows effortless screen positioning and easy mobility for classrooms, meeting rooms, offices, and collaborative workspaces.

Wide Display Compatibility

Supports most 37"–70" interactive displays weighing up to 70 kg, making it ideal for classrooms, conference rooms, and collaborative workspaces.

↗ SUPPORTS UP TO 70"

👤 70KG WEIGHT CAPACITY

Integrated Cable Management & Power Strip Storage

Internal cable routing keeps cables neatly concealed inside the column, while the built-in power strip storage maintains a clean and organized setup.

Ergonomic Rotation & Tilt

Easily switch between portrait and landscape orientations while the 5° tilt provides a more comfortable angle for writing, presenting, and interactive touchscreen use.

Smooth-Rolling PU Hooded Casters

Premium PU casters glide smoothly on carpets and hardwood floors while helping prevent scratches, making it easy to move the stand wherever it's needed.
