

Rotating Mobile Stand

Designed to Move Ideas Forward.

Featuring a smooth rotating design, durable mobile base, and broad VESA compatibility, Brateck Rotating Mobile Stand for Interactive Displays allows effortless screen positioning and easy mobility.

Portrait & Landscape Viewing

Easily rotate your interactive display, giving you greater flexibility for presentations, brainstorming, teaching and collaboration.

90° Screen Rotation

allowing you to adapt the display to different activities and environments with ease.

Wide Display Compatibility

With extensive VESA compatibility from 200×200 up to 600×400 mm for versatile display installation.

Rotating Mobile Stand

Designed to Move Ideas Forward.

Constructed from steel, plastic, MDF, and melamine, allows users to easily position displays at the ideal viewing height, improving visibility and accessibility for everyone in the room.

Features

Easy Mobility with PU Casters

With durable PU hooded casters designed to work well on carpets and hardwood floors while helping minimize scratches.

Integrated Cable Management

With internal cable routing built into the column, helping conceal and organize power and display cables.

Strong Heavy-Duty Stability

Provides reliable support for large screens, giving users confidence during daily use.

Versatile Use

Ideal for modern classrooms, meeting rooms, training spaces, and collaborative environments.
