

Lockable Tablet Enclosure Kiosk Stand

Secure Tablet Display. Built for Public Spaces.

The **Brateck Anti-Theft Countertop Tablet Kiosk Stand (MPBT-PAD12-04N)** is a heavy-duty matte black kiosk stand built for iPad 9.7"/10.2", iPad Air/Pro 10.5", and Samsung Galaxy TAB A 10.1" (2019). With a bolt-down base, keyed anti-theft lock, free-tilting $\pm 90^\circ$ design, and precise device cutouts, it is engineered for secure, always-on public display.

Bolt-Down Security

Tamper-proof bolt-down base and keyed lock prevent unauthorized removal in any public space.

$\pm 90^\circ$ Free Tilt

Adjusts to any viewing angle from flat to fully upright, adapting to diverse display needs.

Precise Cutouts

Full access to buttons, cameras, and charging ports without removing the device from the stand.

Lockable Tablet Enclosure Kiosk Stand

Secure Tablet Display. Built for Public Spaces.

Heavy-duty aluminum, steel, and plastic construction with powder coating and sand-blasted anodic oxidation finish. Engineered for demanding public environments with maximum security and minimal maintenance.

Features

Heavy-Duty Steel Construction

Extra-strength steel body with powder coating provides durability and a premium matte black finish for demanding

Anti-Theft Lock with Key

Lockable tablet enclosure with included keys prevents unauthorized removal and protects devices in retail, hospitality, and public

Bolt-Down Base

Tamper-proof base can be permanently secured to a countertop or desk surface, providing rock-solid stability and theft

Free-Tilting Design ($\pm 90^\circ$)

Smooth $\pm 90^\circ$ tilt range allows the display to be angled for optimal viewing in any environment, from self-service kiosks to info

Precise Device Cutouts

Engineered openings give full access to all buttons, cameras, speakers, and charging ports without removing the tablet.

Rear Cable Management

Integrated cable clips at the rear of the column keep power cables organized, concealed, and protected from tampering.
