

Brateck

Secure Tablets. Work Smarter.

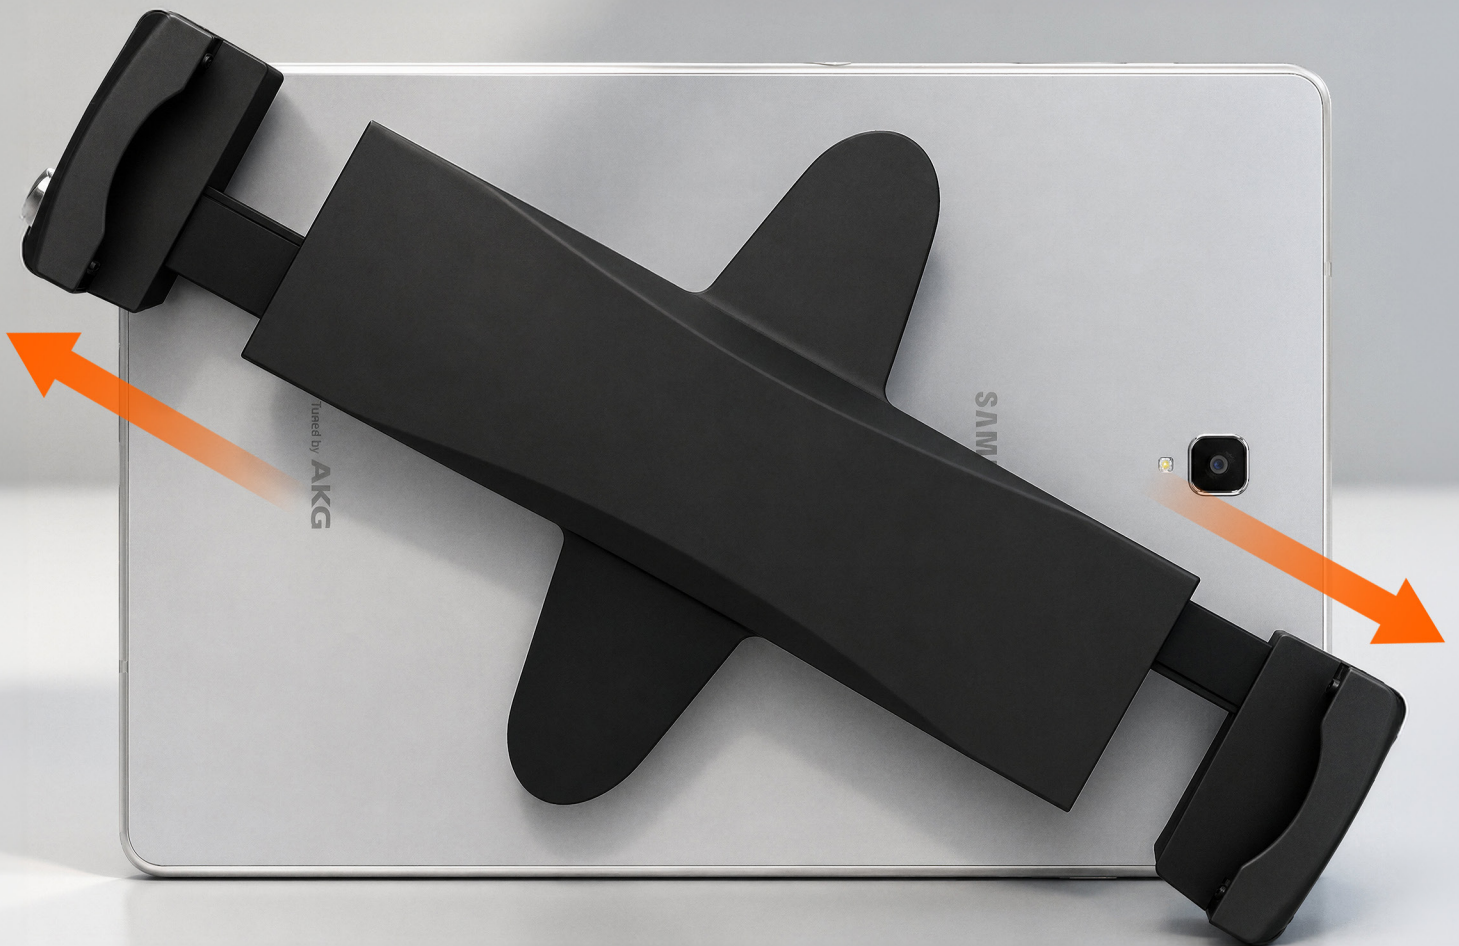

ANTI-THEFT TABLET MOUNT

The **Brateck MPBT-PAD29-01-B** keeps tablets securely mounted while improving comfort, flexibility, and workspace efficiency. Ideal for retail counters, hospitality, healthcare, kiosks, and modern office environments.

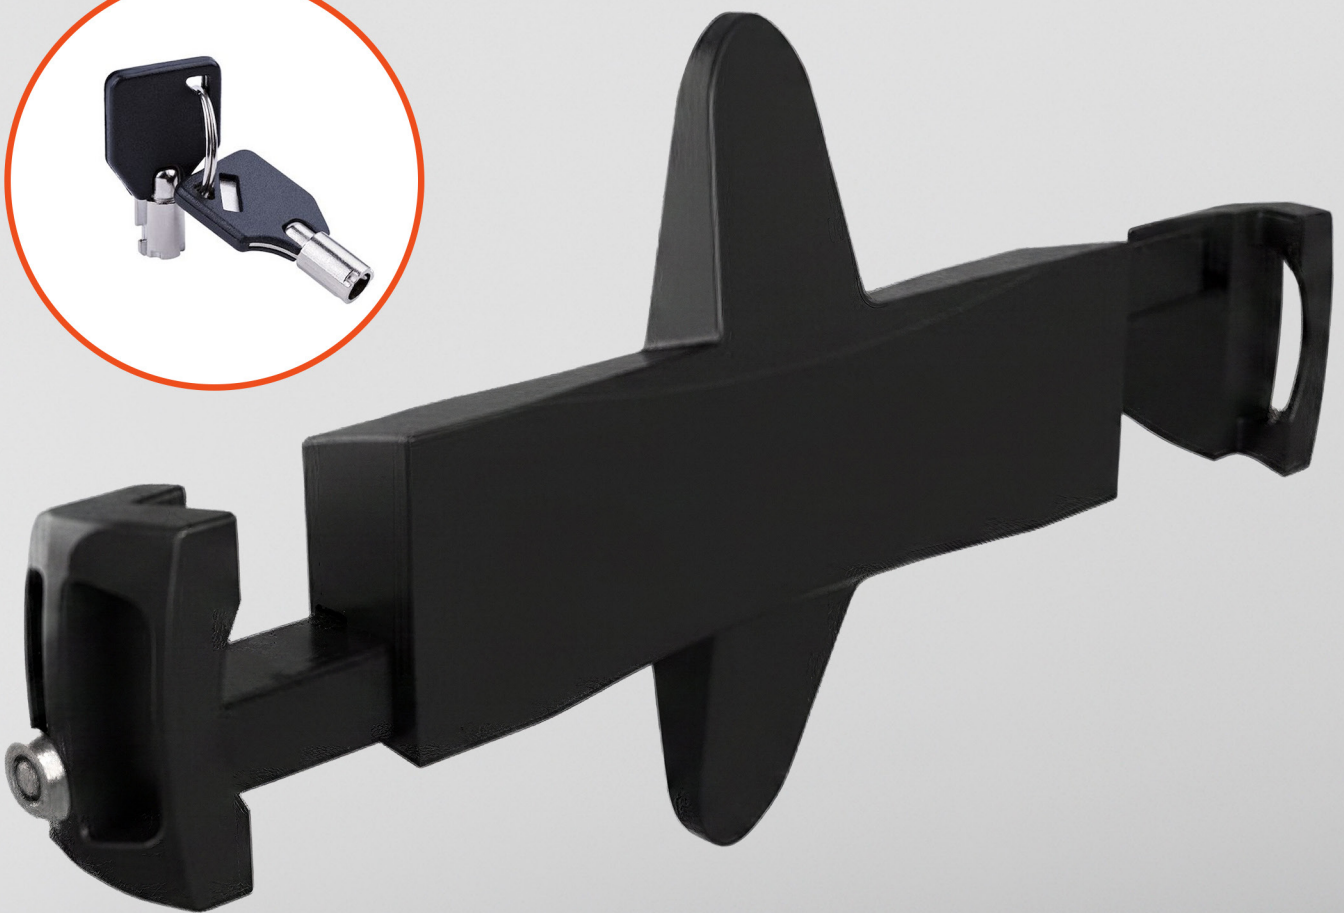

Fits 7.9"–12.5" Tablets

Universal adjustable mounting panel securely holds a wide range of tablets with flexible width adjustment from 200–340mm for reliable compatibility.

Anti-Theft Locking Design

Built-in locking hole helps prevent unauthorized tablet removal for added protection in public or shared environments. (Padlock required separately).

VESA Compatible Flexibility

Supports both 75×75 and 100×100 VESA patterns, making it easy to pair with compatible monitor arms or mounting systems for ergonomic positioning.
