The **Brateck Universal Anti-Theft Tablet Floor Stand** is designed to securely display tablets in public and commercial environments while preventing unauthorized removal.

It is ideal for use in retail stores, restaurants, hotels, exhibitions, self-service kiosks, reception areas, classrooms, and digital signage applications.

Secure & Clutter-Free

Hidden cable routing keeps setups neat and professional, while the built-in locking system helps protect tablets from theft and unauthorized removal.

Universal Interactive Tablet Display

Tall freestanding floor stand securely supports most 7.9"–11" tablets, creating a modern and interactive presentation solution for commercial and professional environments.

Full Motion Viewing Flexibility

Supports +20° to -110° tilt adjustment and full +180° to -180° rotation for comfortable viewing angles and seamless portrait or landscape tablet orientation.
