Brateck

Give Your Digital Displays a Secure, Professional Finish.

WALL MOUNT ENCLOSURE

The **Brateck PAD34-01 Anti-Theft Wall-Mounted Tablet Enclosure** combines reliable security, versatile compatibility and a clean, modern appearance for commercial and public-facing environments. Complete with a removable front panel, integrated rear cable management and VESA compatibility, it offers convenient installation and a neat, professional finish.

Durable & Protective Construction

Features a sturdy steel casing for reliable protection and long-lasting durability, with integrated anti-skid EVA foam pads.

Slim & Minimalist Design

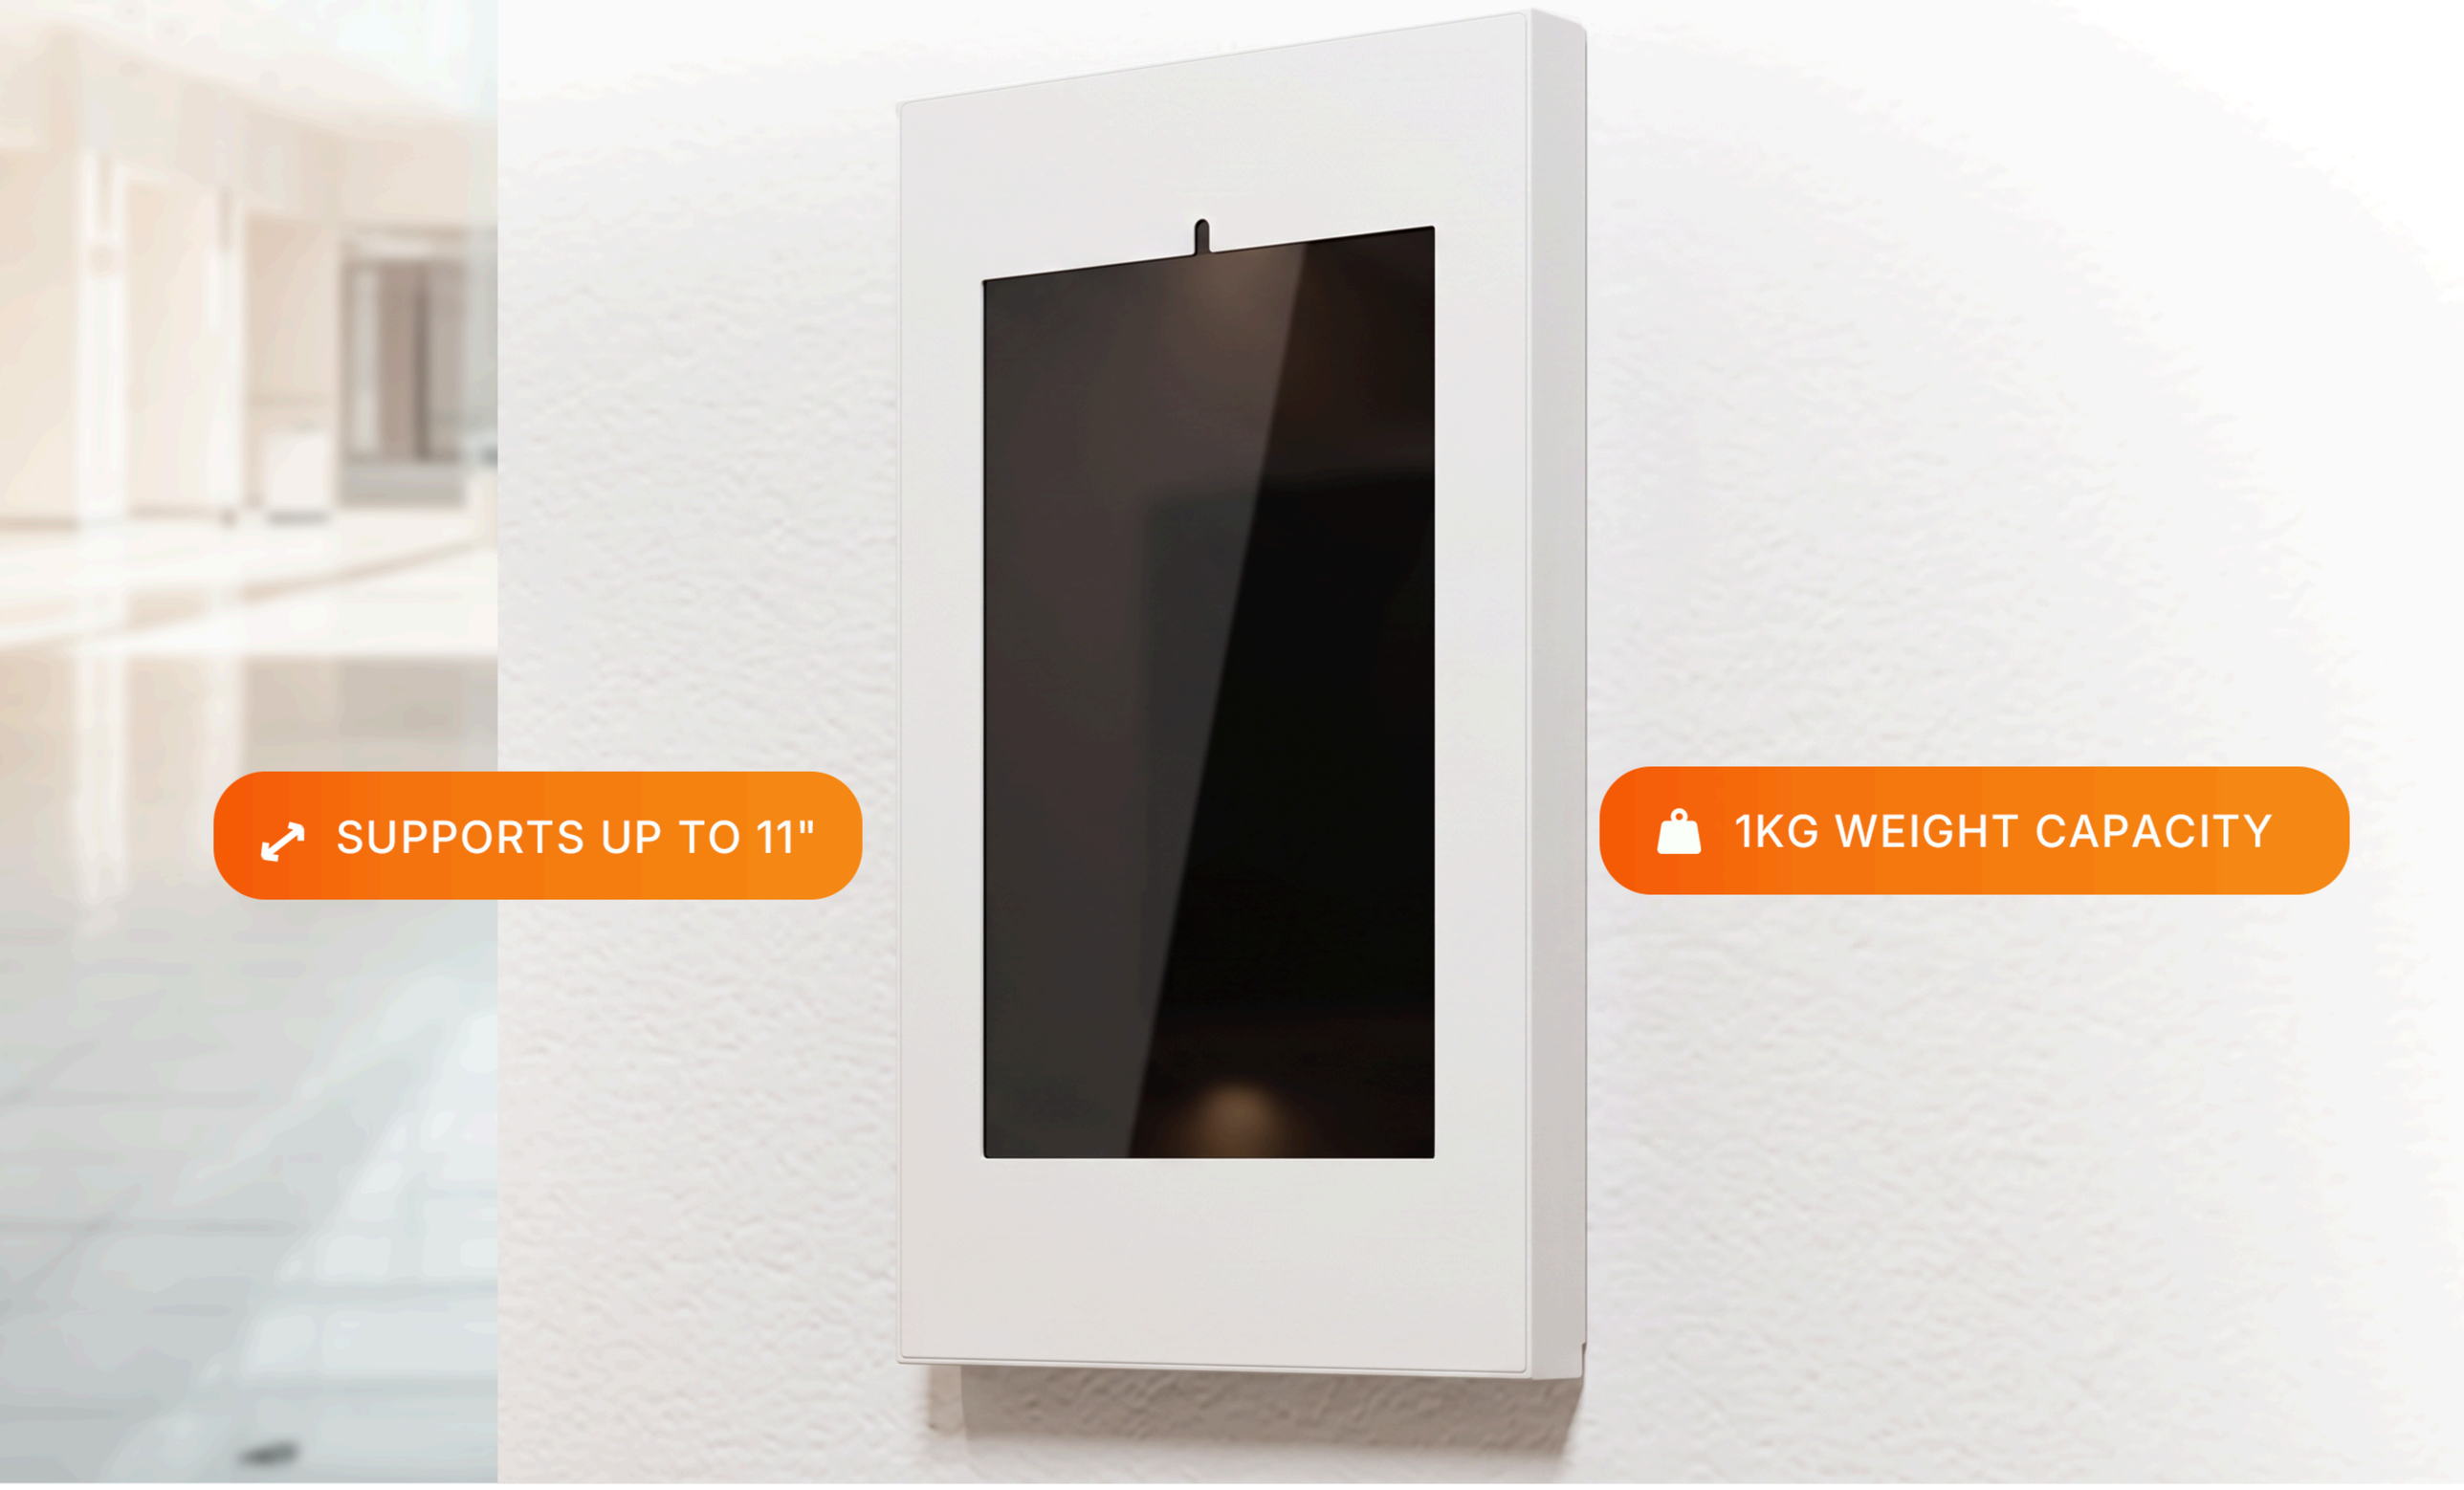

Features a low-profile 22.5mm enclosure with a clean matte white finish, creating a discreet and professional appearance.

Versatile Mounting

Supports direct wall installation or attachment to a compatible 75 × 75mm VESA mounting interface.

Broad Tablet Compatibility

Including compatible Apple iPad, iPad Air, iPad Pro and Samsung Galaxy Tab models, offering versatility across different installations.
