

Protect Your Tablet. Present with Confidence.

Anti-Theft Wall-Mounted / Countertop Tablet Holder

The **Brateck MPBT-PAD34-02** is a premium anti-theft tablet enclosure engineered for secure commercial deployments. Designed to fit a wide range of Apple iPad and Samsung Galaxy tablets from 9.7" to 11", it delivers reliable protection, flexible installation, and a clean, professional presentation for retail, hospitality, healthcare, education, and corporate environments.

Anti-Theft Security

Integrated lock-and-key protection keeps tablets securely locked in place, helping safeguard devices in public-facing environments.

Flexible Installation

Supports wall-mounted and countertop installations, making it ideal for retail, reception, self-service kiosks, visitor check-in, and information displays.

Broad Tablet Compatibility

Designed to support compatible Apple iPad and Samsung Galaxy tablets from 9.7" to 11", providing flexibility across multiple commercial deployments.

Premium Tablet Security

Anti-Theft Wall-Mounted / Countertop Tablet Holder

Designed for secure commercial tablet deployments, the **MPBT-PAD34-02** combines anti-theft protection, flexible installation, and broad tablet compatibility in one professional solution.

Features

Anti-Theft Lock & Key

Protects tablets against unauthorised removal while allowing controlled access when required.

Premium Steel Construction

Built for long-term commercial reliability with a robust steel enclosure.
