

# Phone Stand for Smartphone

**Hands-Free Viewing. Anywhere You Need It.**

The Brateck PHS10-3-B Phone Stand is designed for smartphones, its compact foldable design makes it easy to use at home, in the office or while travelling.

## Fits Smartphones up to 7"

Supports a wide range of compatible smartphones for everyday viewing, video calls and mobile use.

## Foldable Compact Design

Folds down to just 103 × 72 × 29mm, making it easy to store, carry or slip into a work bag.

## Portable 230g Build

Lightweight enough for travel while still providing a stable base for everyday desk use.

# Phone Stand for Smartphone

## Hands-Free Viewing. Anywhere You Need It.

Weighing lightly, it provides a practical hands-free setup for video calls, streaming, browsing and everyday mobile use while maintaining a clean, modern desk.

## Features

### Hands-Free Viewing

Keeps your phone upright and easy to see for meetings, streaming, browsing, recipes or notifications.

### Modern Black Finish

Clean, understated styling complements smartphones, laptops and contemporary desk setups.

### Stable Desktop Support

Provides a secure resting position for your phone, helping reduce unnecessary handling while you work.

### Easy Everyday Positioning

Keeps your screen at a more practical viewing position for comfortable use throughout the day.
