

Slim Aluminum Monitor Riser

Simplicity Elevated.

Elevate your workspace with the Brateck Slim Aluminum Monitor Riser, designed to improve viewing comfort while maximizing desk organization.

Clean Workspace Design

Creates a more organized desk by providing a dedicated space for your monitor while freeing up room underneath for everyday essentials, helping reduce clutter and distractions.

Premium Aluminum Platform

Made from aluminum with a brushed anodized finish for durability and a modern appearance.

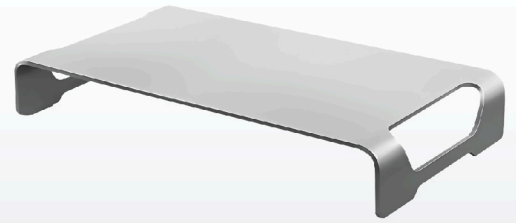

Enhanced Viewing Comfort

Raises your screen to a more natural viewing position, making long hours of work, studying, browsing, or gaming feel more comfortable.

Slim Aluminum Monitor Riser

Simplicity Elevated.

Its sleek aluminum construction complements modern office and home setups, making it an ideal solution for professionals, students, and remote workers.

Features

Desk Organization Solution

Provides a convenient area underneath for storing keyboards, notebooks, accessories, and other daily items.

Space-Saving Storage Area

Creates additional space underneath the stand for storing other desk accessories, helping keep workspaces organized.

Strong 20 kg Load Capacity

Supports monitors and accessories weighing up to 20 kg (44 lbs), making it suitable for most desktop monitor setups.

Non-Slip Silicone Pads

Equipped with silicone feet that help prevent slipping and protect desk surfaces from scratches and scuffs.
